Re: Gallaspy FOIA No.13-151

Dear Ms. Gallaspy:

Reference your letter dated March 8, 2013 seeking information under the Freedom of Information Act (FOIA).

Your request seems does not provide a reasonable description of the records you seek. It is not clear if you are seeking permits or Feasibility Reports, as the Caernarvon Diversion and Davis Pond were constructed under Federal Authority and as such would not have required Regulatory permits.

No further action will be taken on this request at this time. Please resubmit your request including a more detailed description of the records you seek. Should you have any questions regarding this response, please contact me at 504-862-2264.

Sincerely,

A handwritten signature in blue ink that reads "Frederick W. Wallace".

Frederick W. Wallace
