CHAPTER 1
ADMINISTRATIVE AND GENERAL

A. AUTHORITY

This manual is issued under authority of DoD Directive 4000.25, (reference (a)).

B. PURPOSE

This manual provides data elements and codes, standard procedures, and formats to be used for billing and related adjustments, collections, and accounting for sales of materiel. This manual also provides the standard procedures and formats prescribed for the Interfund Billing System. The procedures, formats, and other requirements contained herein are hereafter referred to collectively as the "Military Standard Billing System" (MILSBILLS).

c. APPLICABILITY

MILSBILLS applies to the Office of the Secretary of Defense (OSD), the Military Departments, the Organization of the Joint Chiefs of Staff (OJCS), the Unified and Specified Commands, and the Defense Agencies (hereafter referred to collectively as "DoD Components") and, by agreement, to other organizations participating in the DLSS; e.g., the General Services Administration.

D. POLICY

Under provisions of DoD Directive 4000.25, it is the policy of the Department of Defense that:

1. MILSBILLS shall be disseminated, as required, to the using levels of DoD Components. Supplemental procedures issued by DoD Components or other organizations are authorized when additional detailed instructions are required.

2. MILSBILLS shall be implemented uniformly between DoD Components and at all levels within each DoD Component. Priority shall be given to the development and implementation of inter-DoD Component procedures before separate development and implementation of intra-DoD Component procedures.

   a. Requests for deviations or waivers shall be considered when it can be demonstrated that the system in question cannot provide a workable method or procedure or cannot accommodate interim requirements.
b. Deviations or waivers may not be requested solely to accommodate existing internal systems and procedures or organizational environments.

E. RESPONSIBILITIES

1. Under provisions of DoD Directive 4000.25 (reference (a)), the Assistant Secretary of Defense (Comptroller) (ASD(C)) shall provide policy guidance, shall oversee the MILSBILLS, and shall direct implementation of and compliance with the Directive as it relates to MILSBILLS. f. Disseminate to the ASD(MI&L), ASD(C), and to other DoD Components, a quarterly status review of all revision proposals that have not yet been approved for publication, or, that if approved, have not been implemented.

g. Ensure compatibility of assigned systems. Coordination shall be effected, when appropriate, among system administrators for assigned systems, with designated system administrators of other DoD logistics systems, and with related DoD logistics task groups. Compatibility among these systems and groups shall be attained, when appropriate, before coordination with the DoD Components.

h. Ensure uniform implementation of this manual by:

G. PUBLICATION OF THE MANUAL

1. Organization and Numbering

a. In addition to the front matter (Foreword, Table of Contents, Acronyms and Abbreviations, etc.) the manual is organized into chapters and appendices.

b. Each chapter is divided into sections and where necessary, into paragraphs and subparagraphs. Sections are indicated by capital letters, paragraphs by numbers. Subdivisions of paragraphs are indi-

            1 Subparagraph

               a Subparagraph

   c. Appendices are identified by alphabetic and numerics to indicate an alphabetic group, e.g., Al, AZ, B1, B2.

   d. Pages are numbered in a separate series for each chapter and appendix. Pages of a chapter are numbered in sequence with arabic numerals beginning with 1. Each page number of a chapter is preceded by the number of the chapter. The page numbering system of the appendices indicates the number of the appendix, i.e., B1-, B2-, etc., followed by the page number of the appendix.

2. Distribution of the Manual. The Defense Logistics Agency will distribute this manual and formal changes to those designated points within each DoD Component and participating organization as requested by the organization or Component in their open rider requisition. Further distribution is accomplished within each organization based upon approved distribution data generated through their internal publication channels.

3. Formal and Interim Changes

   a. Formal changes to this manual will be published as needed. Formal changes will be numbered consecutively and issued as page replacements. The change number will be indicated on each page and new or revised wording will be indicated by marginal lines.

   b. Interim changes will be issued to publish emergency or other changes when there is insufficient time to publish a formal change. All interim changes will be incorporated in a formal change without undue delay. Interim changes will be numbered consecutively and will indicate the formal change in which it will be incorporated. For example, the second interim change to be incorporated in change 3
will be numbered "IC 3-2". The MILSBILLS administrator will distribute copies of interim changes as indicated in lists provided by the MILSBILLS focal points.

H. PROPOSED CHANGES

1. Activities proposing revisions to this manual or its supplement (reference (b)) will forward the proposal to their focal point.

2. If concurred in, the focal point will forward the proposed change to the MILSBILLS administrator:

   Defense Logistics Standard Systems Office
   ATTN: DLSSO-B
   Cameron Station
   Alexandria, VA 22304-6100

3. The following information must accompany proposed changes to this manual when they are forwarded to the MILSBILLS administrator:
   a. Concept. A narrative description of the idea underlying the proposed change. What is the basic idea or problem?
   b. Rationale. An explanation of the need for the change. Why is it a problem?
   c. Interface. Known or potential impact on other DLSS or nonDLSS DoD logistics or financial system(s). Who should be involved with or know of this proposal?
   d. Expected Benefits. Operational statement identifying known or potential advantages resulting from the proposed revision. Disadvantages, when known, should be also addressed.
   e. Proposed Change. Proposed wording changes for this manual and other DoD publications upon which this change is contingent or is affected by the change.

4. The MILSBILLS administrator will promptly evaluate and, when appropriate, staff proposed changes to this manual with the MILSBILLS focal points. A consecutively numbered proposed MILSBILLS change letter (PMCL) will be prepared to staff proposals. A minimum of 60 days will be allowed for staffing.

5. Prior to submitting proposed changes to the supplement (reference (b)) focal points will ensure that:
   a. Treasury account symbols are valid or provide conversion instructions for reporting on the Statement of Interfund Transactions,
   b. Suffix/limit codes cited on department "97" appropriations
are valid as determined by OSD (reference (d)), and that

c. DODAACs cited are listed in the DODAAD (reference (e)).

6. Changes to the supplement (reference (b)) will normally be approved and published without coordination. When a standard procedure or policy is involved a proposed change to the appropriate provisions of this manual must accompany the change to the supplement.

I. APPROVED CHANGES

1. Coordination. After a proposed change to this manual is approved, the MILSBILLS administrator will, in coordination with the MILSBILLS focal points, establish an effective date for the change. Coordination will be effected through agreements reached during DoD MILSBILLS focal point committee deliberations or, in most cases, through letters to the MILSBILLS focal points.

2. Preferred Implementation Date. Request for implementation date (RFID) letters will allow the MILSBILLS focal points a minimum of 60 days for staffing. Changes will normally be effective on April 1 or October 1. Preferred dates more than 1 year in the future will also indicate whether or not any portion of the approved change can be implemented with 1 year’s notice.

3. Effective Date

   a. Following receipt and evaluation of DoD Component and participating Agencies preferred implementation dates, the MILSBILLS administrator will select an effective date for changes to this manual. The approved change and its effective date will be formally announced by the MILSBILLS administrator through release of an AMCL.

   b. Except for fund codes denoting billing under noninterfund procedures, changes to the supplement (reference (b)) will be effective as of the date (first of a month) indicated by the focal point. However, when the change is received by the MILBILLS administrator less than 60 calendar days before the desired effective date, the change will be published effective the next scheduled period or as soon as possible.

   c. Changes to fund codes which denote billing under noninterfund procedures will be effective as of the date (first of a month) indicated by the focal point when the focal point notifies the MILSBILLS administrator a minimum of 6 months prior to the preferred date. Otherwise, the change will be effective 6 months after the administrator is notified.

4. Approved MILSBILLS Change Letters (AMCLs). AMCLs will be consecutively numbered and are provided to formally notify system participants of approved changes. AMCLs may also be used as planning documents to assist participants in any program or system design
efforts which may be necessary to implement the changes. The MILSBILLS administrator will distribute copies of AMCLS as required by lists provided by MILSBILLS focal points.

5. Implementation. DoD policy (see section d) requires full implementation of MILSBILLS. If an approved change cannot be implemented as scheduled, the focal point must request approval for a deviation. Deviation requests must include a justification and show an understanding of the potential impact on other system participants. Deviation requests may relate to the implementation date, particular aspects of the change, or both. The administrator will attempt to resolve the request. Unresolved requests for deviation will be forwarded to the ASD(C) for decision.

J. SUPPLEMENTAL PROCEDURES

Supplemental procedures issued by DoD Components and participating agencies are authorized when additional detail instructions are required. The following publications supplement the provisions of this manual within the DoD Components and participating agencies:

1. Army: AR 37-12, Interfund Billing, Collection and Reporting Procedures;

2. Navy and Marine Corps: Navy Comptroller Manual; Volume 8, Chapter 6, Part B;

3. Air Force: AFR 177-101, Part Four, Chapter 27, Section K;

4. DLA: DLAM 7000.1, Accounting and Finance Manual, Chapter 11;

5. GSA: (a) FPMR-101.26-8, Discrepancies or Deficiencies in GSA or DoD Shipments, Material or Billings and

(b) FPMR 101-2.1 - Billings, Payments and Adjustments.

K. QUARTERLY STATUS REVIEW

The MILSBILLS administrator will disseminate the quarterly status review required (section E) by DoD Directive 4000.25 (reference (a)). within 2 weeks of the close of the quarter. The report will be in two parts, one for open proposals in process and another for approved changes which are effective during the reporting or a future period.

L. SEM ANNUAL IMPLEMENTATION STATUS REPORT (RCS: DD-M(SA)1419)

(To be developed - see requirement in section E.)
M  NONCOMPLIANCE WITH PRESCRIBED MILSBILLS PROCEDURES AND OTHER UNRESOLVED PROBLEMS

If reasonable attempts to obtain compliance with prescribed procedures or resolution of MILSBILLS related problems are unsatisfactory, the activity having the problem will request assistance from their MILSBILLS focal point. The request will include copies of all correspondence pertinent to the problem, such as, the requisition number, number and date of bill, billing office, and the shipping office. The focal points involved will take the necessary actions to resolve the issue or problem. Necessary actions may include requesting assistance from the MILSBILLS administrator. The MILSBILLS administrator will follow the procedures described in section E.

N  MINIMIZE CONDITIONS

When a minimize condition is imposed at a location, MILSBILLS documents and reports which are normally forwarded to that location via AUTODIN will be forwarded, instead, by regular mail for CONUS addressees and airmail for overseas addressees. If neither the originating office nor DAASO is under minimize, MILSBILLS documents and reports may continue to be forwarded to DAASO via AUTODIN for further routing to the end destination.

O  SIMULATED MOBILIZATION EXERCISE

DI code “H” series transactions have been reserved for use during simulated mobilization exercises in lieu of the normal “F” series DI codes. Although use of the “H” series DI codes is not mandatory, when exercises call for generating records prescribed by MILSBILLS, use of the “H” series DI codes is recommended.
