CHAPTER 11

THE US GOVERNMENT BILL OF LADING--
PRIVATELY OWNED PERSONAL PROPERTY (PPGBL) (SF 1203)
AND
THE US GOVERNMENT BILL OF LADING
CORRECTION NOTICE (SF 1200)

11000. Purpose and Scope. This chapter establishes procedures and provides guidance for the accountability, use, issuance, preparation and distribution of the PPGBL (Figure 11-1). The PPGBL will be used for the acquisition of authorized transportation and related services from commercial carriers for the movement of DOD sponsored personal property shipments, mobile homes and FOVS eligible for movement on a PPGBL. (This chapter does not apply to the Do-It-Yourself (DITY) Program.)

11001. Responsibilities.

a. Headquarters, MTMC, is responsible for prescribing administrative procedures regarding the use of bills of lading for the procurement of commercial transportation services on behalf of DOD.

b. The Administrator, GSA, is responsible for prescribing procedures governing the use of GBLs throughout the Government. GSA has published the regulations and procedures governing the procurement of and the billing and payment for transportation services for the account of the United States in 41 CFR 101-41.3, Freight Transportation Services Furnished for the Account of the United States.

11002. Procedures.

a. Supply. Requisition for PPGBLs will be submitted through normal military service publications supply and distribution channels. PPSOS are responsible for maintaining an adequate supply of PPGBLs at their activity.

b. Accountability.

(1) PPGBLs are accountable documents. Each shipping activity will maintain records of bill of lading issued and the supply on hand. Local internal procedures must be established to control stock and assign accountability for PPGBL issuance and use. The PPSO, or in the absence of an PPSO, and acting PPSO, will be appointed in writing as the responsible PPGBL issuing officer and held accountable for PPGBL control, safekeeping and disposition. To facilitate control, PPGBL sets are serially numbered when printed. The numbers are immediately preceded by symbol letters which are
approved by the Comptroller General of the United States and should always be included in any reference to a PPGBL number. Packages of PPGBLs should be opened immediately upon receipt and inventoried by the PPGBL issuing officer (or a designated representative) to verify that none are missing.

(2) **Computer-Prepared PPGBLs.**

(a) PPSOs having facilities for computer preparation of PPGBLs may order them in continuous tractor-feed, fanfold format through appropriate Government distribution centers. Authorization must be obtained from GSA to imprint PPGBL numbers at the time of issuance.

(b) PPSOs participating in the TOPS Program will request forms and PPGBL numbers through normal TOPS Switching mechanisms.

(3) **Overprinting.** When it is economical and advantageous to do so, agencies may order any or all of the following information overprinted on GBLs and PPGBLs:

(a) Name of shipper (agency/department and bureau of service.)

(b) Bill to or paying office.

(c) Name and title of issuing officer, issuing office, and place of issue.

(d) Appropriation or fund chargeable.

(e) Origin.

To do this, the requesting agency must submit a printing requisition (SF 1-C or GPO Form 1026-A) to the accountable forms office in the Federal Supply Service (ATTN: FCNI), General Services Administration, Washington, DC 20406, for direct procurement.

(4) **Transfer of Forms.** Blank serially numbered original PPGBLs or preassembled sets which have been issued to transportation officers or their designated agents may be transferred only to other transportation officers or their agents.

(5) **Disposition of Unfit or Cancelled PPGBLs.** When PPGBLs have become mutilated or otherwise unfit for use or have been issued and the planned shipment is subsequently cancelled for any reason, all parts except the original will be destroyed. The original PPGBL shall be marked "Cancelled" or "Void" and shall be filed in the property shipped PPGBL file. When circumstances prevent filing of the cancelled or voided original document, the property shipped copy or a substitute memorandum copy with appropriate notation of disposition of the original PPGBL shall be filed in the property-shipped file.
(6) **Reporting of Lost, Stolen, or Missing PPGBLs.** The prefix symbol and serial number of blank original PPGBLs or preassembled sets that have become lost, stolen, or are unaccountably missing or otherwise beyond the control of the issuing officer shall be reported to the disbursing officer responsible for payment of transportation accounts.

(7) **Recovery of Lost, Stolen, or Missing PPGBLs.** When PPGBLs reported as lost, stolen, or missing are recovered, they will not be placed in stock and used unless the number recovered is 20 or more. In this case, the symbols and serial numbers will be reported to the proper disbursing officer. Quantities less than 20 will be recorded as prescribed in paragraph 11002.b.(5) and then destroyed.

c. **Issuing Officer.** Only authorized or acting PPSOs may issue PPGBLs. Such authorized persons may be military personnel or civilian employees of the Government on duty at the issuing office. As stated in 41 CFR 101-41.302.4, accountability for GBLs used by a contractor-shipper remains with the issuing office. Thus, the name and title of the issuing officer and the name and address of the issuing office, rather than those of the contractor-shipper, must appear on the GBL.

d. **Format.**

(1) The PPGBL consists of five separate basic forms. It is produced in a seven-part carbon-interleaved set for simultaneous preparation. The standard form numbers, form title, color and distribution are described in paragraph 11004.

(2) In all instances, the PPGBL-original (SF 1203), shipping order (SF 1204), and the freight waybill-original (SF 1205) shall be given to the initial carrier or designated agent for the carrier before the shipment is packed and/or picked up. Where accessorials or special services, such as exclusive use of a car or truck, expedited service, protective service, reconsignment, etc., are ordered incident to the use of a mode of transportation, the bill of lading shall be endorsed to show the name of the carrier upon which the request was made and the kind and scope of the special services ordered. The endorsement may be placed on the face thereof under the "Description of Shipment" or under the "Remarks." If space is available, or in the space provided on this page for "Special Services Ordered," and shall be signed by or for the person who ordered the service. If such an endorsement is impractical, the same information may be set forth in a statement bearing the number of the covering bill of lading, which shall be signed by or for the person who ordered the service, and, if possible, attached to the bill of lading.
