CHAPTER 13
DEPENDENTS DENTAL PLAN

A. GENERAL PROVISIONS.

1. Purpose. This section prescribes guidelines and policies for the delivery and administration of the Active Duty Dependents Dental Plan of the Uniformed Services for the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, the Commissioned Corps of the U.S. Public Health Service (USPHS), and the Commissioned Corps of the National Oceanic and Atmospheric Administration (NOAA).

2. Applicability

a. Geographic. This section is applicable geographically within the 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, and the U.S. Virgin Islands.

b. Agency. The provisions of this section apply throughout the Department of Defense (DoD), the Coast Guard, the Commissioned Corps of the USPHS, and the Commissioned Corps of the NOAA.

3. Authority and responsibility

a. Legislative authority

(1) Joint regulations. 10 U.S.C. Chapter 55, 1076a authorizes the Secretary of Defense, in consultation with the Secretary of Health and Human Services and the Secretary of Transportation, to prescribe regulations for the administration of the Active Duty Dependents Dental Plan.

(2) Administration. 10 U.S.C. Chapter 55 also authorizes the Secretary of Defense to administer the Active Duty Dependents Dental Plan for the Army, Navy, Air Force, and Marine Corps under DoD jurisdiction, the Secretary of Transportation to administer the Active Duty Dependents Dental Plan for the Coast Guard, when the Coast Guard is not operating as a service in the Navy, and the Secretary of Health and Human Services to administer the Active Duty Dependents Dental Plan for the Commissioned Corps of the NOAA and the USPHS.

b. Organizational delegations and assignments

(1) Assistant Secretary of Defense (Health Affairs) (ASD(HA)). The Secretary of Defense, by DoD Directive 5136.1 (reference(b)), delegated authority to the ASD(HA) to provide policy guidance, management control, and coordination as required for all DoD health and medical resources and functional areas including health benefit programs. Implementing authority is contained in DoD 5025.1-M (reference(c)). For additional implementing authority see Chapter 1.C. of this Regulation.

(2) Evidence of eligibility. The Department of Defense, through the Defense Enrollment Eligibility Reporting System (DEERS), is responsible
for establishing and maintaining a listing of persons eligible to receive benefits under the Active Duty Dependents Dental Plan.

4. **Active duty dependents dental benefit plan.** This is a program of dental benefits provided by the U.S. Government under public law to specified categories of individuals who are qualified for these benefits by virtue of their relationship to one of the seven Uniformed Services, and their voluntary decision to accept enrollment in the program and cost share with the Government in the premium cost of the benefits. The Dependents Dental Plan is an insurance, service, or prepayment plan involving a contract guaranteeing the indemnification or payment of the enrolled member’s dependents against a specified loss in return for a premium paid. Where state regulations, charter requirements, or other provisions of state and local regulation governing dental insurance and prepayment programs conflict with Federal law and regulation governing this "Program, Federal law and regulation shall govern. Otherwise, this Program shall comply with state and local regulatory requirements.

5. **Plan funds**

   a. **Funding sources.** The funds used by the Active Duty Dependents Dental Plan are appropriated-funds furnished by the Congress through the annual appropriation acts for the Department of Defense and the Department of Health and Human Services and funds collected by the Uniformed Services monthly through payroll deductions as premium shares from enrolled members.

   b. **Disposition of funds.** Plan funds are paid by the Government as premiums to an insurer, service, or prepaid dental care organization under a contract negotiated by the Director, OCHAMPUS, or a designee, under the provisions of the Federal Acquisition Regulation (FAR).

   c. **Plan.** The Director, OCHAMPUS or designee provides an insurance policy, service plan, or prepaid contract of benefits in accordance with those prescribed by law and regulation; as interpreted and adjudicated in accord with the policy, service plan, or contract and a dental benefits brochure; and as prescribed by requirements of the dental plan organization’s contract with the government.

   d. **Contracting out.** The method of delivery of the Active Duty Dependents Dental Benefit Plan is through a competitively procured contract. The Director, OCHAMPUS, or a designee is responsible for negotiating, under provisions of the FAR, a contract for dental benefits insurance or prepayment which includes responsibility for (1) development, publication, and enforcement of benefit policy, exclusions, and limitations in compliance with the law, regulation, and the contract provisions; (B) (2) adjudicating and processing claims; and (3) conduct of related supporting activities, such as eligibility verification, provider relations, and beneficiary communications.

6. **Role of Health Benefits Advisor (HBA).** The HBA is appointed (generally by the commander of a Uniformed Services medical treatment facility) to serve as an advisor to patients and staff in matters involving the Active Duty Dependents Dental Plan. The HBA may assist beneficiaries or sponsors in
applying for benefits, in the preparation of claims, and in their relations with OCHAMPUS and the dental plan insurer. However, the HBA is not responsible for the plan's policies and procedures and has no authority to make benefit determinations or obligate the plan's funds. Advice given to beneficiaries as to determination of benefits or level of payment is not binding on OCHAMPUS or the insurer.

7. Disclosure of information to the public. Records and information acquired in the administration of the Active Duty Dependents Dental Plan are not records of the Department of Defense. The records are established by the Dependents Dental Plan insurer in accordance with standard business practices of the industry, and are used in the determination of eligibility, program management and operations, utilization review, quality assurance, program integrity, and underwriting in accordance with standard business practices. By contract, the records and information are subject to government audit and the government receives reports derived from them. Records and information specified by contract are provided by an outgoing insurer to a successor insurer in the event of a change in the contractor.

8. Equality of benefits. All claims submitted for benefits under the Active Duty Dependents Dental Plan shall be adjudicated in a consistent, fair, and equitable manner, without regard to the rank of the sponsor.

9. Coordination of benefits. The dental plan insurer shall conduct coordination of benefits for the Active Duty Dependents Dental Plan in accordance with generally accepted business practices.

10. Information on participating providers. The Director, OCHAMPUS or designee, shall develop and make available to Uniformed Services Health Benefits Advisors and military installation personnel centers copies of lists of participating providers and providers accepting assignment for all localities with significant numbers of dependents of active duty members. In addition, the Director, OCHAMPUS or designee, shall respond to inquiries regarding availability of participating providers in areas not covered by the lists of participating providers.

B. DEFINITIONS

For most definitions applicable to the provisions of this section, refer to Chapter 2 of this Regulation. The following definitions apply only to this section.

**Assignment.** Acceptance by a nonparticipating provider of payment directly from the insurer while reserving the right to charge the beneficiary or sponsor for any remaining amount of the fees for services which exceeds the prevailing fee allowance of the insurer.

**Authorized Provider.** A dentist or dental hygienist specifically authorized to provide benefits under the Active Duty Dependents Dental Plan in paragraph (f) of this section.
Beneficiary. A dependent of an active duty member who has been enrolled in the Active Duty Dependents Dental Plan, and has been determined to be eligible for benefits, as set forth in paragraph (c) of this section.

Beneficiary Liability. The legal obligation of a beneficiary, his or her estate, or responsible family member to pay for the costs of dental care or treatment received. Specifically, for the purposes of services and supplies covered by the Active Duty Dependents Dental Plan, beneficiary liability includes cost-sharing amounts for restorative services, and, any amount above the prevailing fee determination by the insurer for either preventive or restorative services where the provider selected by the beneficiary is not a participating provider or a provider within an approved alternative delivery system. Beneficiary liability also includes any expenses for services and supplies not covered by the Active Duty Dependents Dental Benefit Plan, less any discount provided as a part of the insurer’s agreement with an approved alternative delivery system.

By report. Dental procedures which are authorized as benefits only in unusual circumstances requiring justification of exceptional conditions related to otherwise authorized procedures. For example, a house call might be justified based on an enrolled dependent’s severe handicap which prevents visits in the dentist’s office for traditional prophylaxis. Alternatively, additional drugs might be required separately from an otherwise authorized procedure because of an emergent reaction caused by drug interaction during the performance of a restoration procedure. These services are further defined in paragraph (e) of this section.

Cost-Share. The amount of money for which the beneficiary (or sponsor) is responsible in connection with otherwise covered dental services (other than disallowed amounts) as set forth in Sections D and G of this Chapter. Cost-sharing may also be referred to as “co-payment.”

Defense Enrollment Eligibility Reporting System (DEERS). The automated system that is composed of two phases:

1. Enrolling all active duty and retired service members, their dependents, and the dependents of deceased service members, and

2. Verifying their eligibility for health care benefits in the direct care facilities and through the Active Duty Dependents Dental Plan.

Dental hygienist. Practitioner in rendering complete oral prophylaxis services, applying medication, performing dental radiography, and providing dental education services with a certificate, associate degree, or bachelor’s degree in the field, and licensed by an appropriate authority.

Dentist. Doctor of Dental Medicine (D.M.D.) or Doctor of Dental Surgery (D.D.S.) who is licensed to practice dentistry by an appropriate authority.

Diagnostic services. Category of dental services including (1) clinical oral examinations, (2) radiographic examinations, and (3) diagnostic laboratory tests and examinations provided in connection with other dental procedures authorized as benefits of the Active Duty Dependents Dental Plan and further defined in Section E of this Chapter.
**Emergency palliative services.** Minor procedures performed for the immediate relief of pain and discomfort as further defined in Section E of this Chapter. This definition excludes those procedures other than minor palliative services which may result in the relief of pain and discomfort, but constitute the usual initial stage or conclusive treatment in procedures not otherwise defined as benefits of the Active Duty Dependents Dental Plan.

**Initial Determination.** A formal written decision on an Active Duty Dependents Dental Plan claim, a request by a provider for approval as an authorized provider, or a decision disqualifying or excluding a provider as an authorized provider under the Active Duty Dependents Dental Plan. Rejection of a claim or a request for benefit or provider authorization for failure to comply with administrative requirements, including failure to submit reasonably requested information, is not an initial determination. Responses to general or specific inquiries regarding Active Duty Dependent Dental Plan benefits are not initial determinations.

Laboratory and Pathology Services. Laboratory and pathology examinations (including machine diagnostic tests that produce hard-copy results) ordered by a dentist when necessary to, and rendered in connection with other covered dental services.

Nonparticipating provider. A dentist or dental hygienist that furnished dental services to an Active Duty Dependents Dental Plan beneficiary, but who has not agreed to participate or to accept the insurer's fee allowances and applicable cost share as the total charge for the services. A nonparticipating provider looks to the beneficiary or sponsor for final responsibility for payment of his or her charge, but may accept payment (assignment of benefits) directly from the insurer or assist the beneficiary in filing the claim for reimbursement by the contractor. Where the nonparticipating provider does not accept payment directly from the insurer, the insurer pays the beneficiary or sponsor, not the provider.

Participating Provider. A dentist or dental hygienist who has agreed to accept the insurer's reasonable fee allowances or other fee arrangements as the total charge (even though less than the actual billed amount), including provision for payment to the provider by the beneficiary (or sponsor) of the twenty percent cost-share for restorative services.

Party to a Hearing. An appealing party or parties, the insurer, and OCHAMPUS.

Party to the Initial Determination. Includes the Active Duty Dependents Dental Plan, a beneficiary of the Active Duty Dependents Dental Plan and a participating provider of services whose interests have been adjudicated by the initial determination. In addition, a provider who has been denied approval as an authorized Active Duty Dependents Dental Plan provider is a party to that initial determination, as is a provider who is disqualified or excluded as an authorized provider, unless the provider is excluded under another federal or federally funded program. See Section H of this Chapter for additional information concerning parties not entitled to administrative review under the Active Duty Dependents Dental Plan appeals procedures.
Preventive Services. Traditional prophylaxis including scaling deposits from teeth, polishing teeth, and topical application of fluoride to teeth as further defined in Section E of this Chapter.

Provider. A dentist or dental hygienist as specified in Section F of this Chapter.

Representative. Any person who has been appointed by a party to the initial determination as counsel or advisor and who is otherwise eligible to serve as the counsel or advisor of the party to the initial determination, particularly in connection with a hearing.

Restorative services. Restoration of teeth including those procedures commonly described as amalgam restorations, resin restorations, pin retention, and stainless steel crowns for primary teeth as further defined in Section E of this Chapter.

C. ENROLLMENT AND ELIGIBILITY

1. General. Sections 1076a and 1072(2)(D) of 10 U.S.C., Chapter 55 set forth those persons who are eligible for voluntary enrollment in the Active Duty Dependents Dental Benefit’ Plan. A determination that a person is eligible for voluntary enrollment does not entitle such a person automatically to benefit payments. The active duty member must enroll his or her dependents as defined in this Chapter, and other Chapters of this Regulation set forth additional requirements that must be met before eligibility for the plan is extended.

2. Persons eligible. Dependent. A person who bears one of the following relationships to an active duty member (under a call or order that does not specify a period of 30 days or less):

a. spouse. A lawful husband or wife, regardless of whether or not dependent upon the active duty member.

b. Child. To be eligible, the child must be unmarried and meet one of the requirements of this section.

(1) A legitimate child.

(2) An adopted child whose adoption has been completed legally.

(3) A legitimate stepchild.

(4) An illegitimate child of a male member whose paternity has been determined judicially, or an illegitimate child of record of a female member who has been directed judicially to support the child.

(5) An illegitimate child of a male active duty member whose paternity has not been determined judicially, or an illegitimate child of record of a female active duty member who:
(a) Resides with or in a home provided by the member and

(b) Is and continues to be dependent upon the member for over 50 percent of his or her support.

(6) An illegitimate child of the spouse of an active duty member (that is, the active duty member’s stepchild) who:

(a) Resides with or in a home provided by the active duty member or the parent who is the spouse of the member and

(b) Is and continues to be dependent upon the member for over 50 percent of his or her support.

(7) In addition to meeting one of the criteria (1) through (6) of this paragraph C.2., the child:

(a) Must not be married.

(b) Must be in one of the following three age groups:

1 Not passed his or her 21st birthday.

2 Passed his or her 21st birthday, but incapable of self-support because of a mental or physical incapacity that existed before his or her 21st birthday and dependent on the member for over 50 percent of his or her support. Such incapacity must be continuous. If the incapacity significantly improves or ceases at any time after age 21, even if such incapacity recurs subsequently, eligibility cannot be reinstated on the basis of the incapacity. If the child was not handicapped mentally or physically at his or her 21st birthday, but becomes so incapacitated after that time, no eligibility exists on the basis of the incapacity.

3 Passed his or her 21st birthday, but not his or her 23rd birthday, dependent upon the member for over 50 percent of his or her support, and pursuing a full-time course of education in an institution of higher learning approved by the Secretary of Defense or the Department of Education (as appropriate) or by a state agency under 38 U.S.C., Chapters 34 and 35.

NOTE: Courses of education offered by institutions listed in the "Education Directory, Part 3, Higher Education" or "Accredited Higher Institutions," issued periodically by the Department of Education meet the criteria approved by the Secretary of Defense or the Department of Education, (refer to Chapter 3, B.2.d. (3)(c) of this Regulation). For determination of approval of courses offered by a foreign institution, by an institution not listed in either of the above directories, or by an institution not approved by a state agency pursuant to Chapters 34 and 35 of 38 U.S.C., a statement may be obtained from the Department of Education, Washington, D.C. 20202.
3. **Enrollment**

   a. **Initial enrollment.** Eligible dependents of members on active duty status as of August 1, 1987 are automatically enrolled in the Active Duty Dependents Dental Benefit Plan, except where any of the following conditions apply:

      (1) Remaining period of active duty at the time of contemplated enrollment is expected by the active duty member or the Uniformed Service to be less than two years, except that such members’ dependents may be enrolled during the initial enrollment period for benefits beginning August 1, 1987 provided that the member has at least six months remaining in the initial enlistment term. Enrollment of dependents is for a period of two years, subject to the exceptions provided in C.5.

      (2) Active duty member has completed an election to disenroll his or her dependents from the Active Duty Dependents Dental Plan.

      (3) Active duty member has only one dependent who is under four years of age as of August 1, 1987, and the member does not complete an election to enroll the child.

   b. **Subsequent enrollment.** Eligible active duty members may elect to enroll their dependents for a period of not less than two years, provided there is an intent to remain on active duty for a period of not less than two years by the member and the Uniformed Service.

   c. **Inclusive family enrollment.** All eligible dependents of the active duty member must be enrolled if any are enrolled, except that a member may elect to enroll only those dependents who are remotely located from the member (e.g., a child living with a divorced spouse or a child in college).

4. **Beginning dates of eligibility**

   a. **Initial enrollment.** The beginning date of eligibility for benefits is August 1, 1987.

   b. **Subsequent enrollment.** The beginning date of eligibility for benefits is the first day of the month following the month in which the election of enrollment is completed, signed, and received by the active duty member’s Service representative, except that the date of eligibility shall not be earlier than September 1, 1987.

5. **Changes in and termination of enrollment**

   a. **Changes in status of active duty member.** When an active duty member’s period of active duty ends for any reason, his or her dependents lose their eligibility as of 11:59 p.m. of the last day of the month in which the active duty ends.

   b. **Termination of eligibility for basic pay.** When a member ceases to be eligible for basic pay, eligibility of the member’s dependents for
benefits under the Dependents Dental Plan terminates as of \textbf{11:59} p.m. of the day the member became ineligible for basic pay and the Uniformed Service must notify the Plan of \textit{disenrollment based} on termination of eligibility for basic pay. The member whose eligibility for basic pay is subsequently restored may \textbf{enroll} his or her dependents for a minimum of two years in accordance with C.3.b.

\hspace{1cm} c. \textbf{Changes in status of dependent}

\hspace{1cm} (1) \textbf{Divorce.} A spouse separated from an active duty member by a final divorce decree loses all eligibility based on his or her former marital relationship as of \textbf{11:59} p.m. of the last day of the month in which the divorce becomes final. The eligibility of the member’s own children (including adopted and eligible illegitimate children) is unaffected by the divorce. An \textit{unadopted} stepchild, however, loses eligibility with the termination of the marriage, also as of \textbf{11:59} p.m. the last day of the month in which the divorce becomes final.

\hspace{1cm} (2) \textbf{Annulment.} A spouse whose marriage to an active duty member is dissolved by annulment loses eligibility as of \textbf{11:59} p.m. of the last day of the month in which the court grants the annulment order. The fact that the annulment \textit{legally} declares the entire marriage void from its inception does not affect the termination date of eligibility. When there are children, the eligibility of the member’s own children (including adopted and eligible illegitimate children) is unaffected by the annulment. An \textit{unadopted} stepchild, however, loses eligibility with the annulment of the marriage, also as of \textbf{11:59} p.m. of the last day of the month in which the court grants the annulment order.

\hspace{1cm} (3) \textbf{Adoption.} A child of an active duty member who is adopted by a person, other than a person whose dependents are eligible for the Active Duty Dependents Dental Plan benefits while the active duty member is living, thereby severing the legal relationship between the child and the sponsor, loses eligibility as of \textbf{11:59} p.m. of the last day of the month in which the adoption becomes final.

\hspace{1cm} (4) \textbf{Marriage of child.} A child of an active duty member who marries a person whose dependents are not eligible for the Active Duty Dependents Dental Plan, loses eligibility as of \textbf{11:59} p.m. on the last day of the month in which the marriage takes place. However, should the marriage be terminated by death, divorce, or annulment before the child is 21 years old, the child again becomes eligible for \textit{enrollment} as a dependent as of \textbf{12:00 a.m.} of the first day of the month following the month in which the occurrence takes place that terminates the marriage and continues up to age 21 if the child does not remarry before that time. If the marriage terminates after the child’s \textbf{21st} birthday, there is no reinstatement of eligibility.

\hspace{1cm} (5) \textbf{Disabling illness or injury of child age 21 or 22 who has eligibility based on his or her student status.} A child 21 or 22 years old who is pursuing a full-time course of higher education and who, either during the school year or between semesters, suffers a disabling illness or injury
with resultant inability to resume attendance at the institution remains eligible for dental benefits for 6 months after the disability is removed or until the student passes his or her 23rd birthday, whichever occurs first. However, if recovery occurs before the 23rd birthday and there is resumption of a full-time course of higher education, dental benefits can be continued until the 23rd birthday. The normal vacation periods during an established school year do not change the eligibility status of a dependent child 21 or 22 years old in full-time student status. Unless an incapacitating condition existed before, and at the time of, a dependent child’s 21st birthday, a dependent child 21 or 22 years old in student status does not have eligibility related to mental or physical incapacity as described in Chapter 3, B.2.d. (3)(b) of this Regulation.

d. **Disenrollment** because of no eligible dependents. When an active duty member ceases to have any eligible dependents residing within the Plan’s jurisdiction, the member must disenroll.

e. **Option to disenroll as a result of a change in active duty station.** When an active duty member makes a permanent change in duty station resulting in a move of more than 50 miles of his or her dependents to a new locality, the member may elect within 90 days of the change to disenroll from the Plan if dental care for these benefits is available from a local military dental clinic available to the member’s dependents.

f. **Option to disenroll as a result of electing other dental insurance coverage.** When an active duty member’s dependents become enrolled in another employment-based dental insurance plan, the member may elect to disenroll from the Active Duty Dependents Dental Plan. Proof of other employment-based dental insurance coverage must be provided to the appropriate Service representative prior to approval of disenrollment.

g. **Option to disenroll after an initial two-year enrollment.** When an active duty member’s enrollment of his or her dependents has been in effect for a continuous period of two years, the member may disenroll his or her dependents at any time. Subsequently, the member may enroll his or her dependents for another minimum period of two years.

6. **Eligibility determination and enrollment**

a. **Eligibility determination and enrollment responsibility of Uniformed Services.** Determination of a person’s eligibility and processing of enrollment in the Active Duty Dependents Dental Benefit Plan is the responsibility of the active duty member’s Uniformed Service. For the purpose of program integrity, the appropriate Uniformed Service shall, upon request of the Director, OCHAMPUS, review the eligibility of a specific person when there is reason to question the eligibility status. In such cases, a report on the result of the review and any action taken will be submitted to the Director, OCHAMPUS, or a designee.

b. **Procedures for determination of eligibility.** Uniformed Services identification cards do not distinguish eligibility for the Active Duty Dependents Dental Plan. Procedures for the determination of eligibility are
identified in Chapter 3, F.2. of this Regulation, except that Uniformed Services identification cards do not provide evidence of eligibility for the dental plan.

   a. Acceptable evidence of eligibility and enrollment. Eligibility information established and maintained in the DEERS files is the only acceptable evidence of eligibility.

   b. Responsibility for obtaining evidence of eligibility. It is the responsibility of the active duty member, or Active Duty Dependent Dental Plan beneficiary, parent, or legal representative, when appropriate, to enroll with a Uniformed Service authorized representative and provide adequate evidence for entry into the DEERS file to establish eligibility for the Active Duty Dependents Dental Plan, and to ensure that all changes in status that may affect enrollment and eligibility are reported immediately to the appropriate Uniformed Service for action. Ineligibility for benefits is presumed in the absence of prescribed enrollment and eligibility evidence in the DEERS file.

D. PREMIUM SHARING

1. General. Active duty members enrolling their dependents in the Active Duty Dependents Dental Plan shall be required to pay a share of the premium cost for their dependents.

2. Premium classifications. Premium classifications are established by the Secretary of Defense, or designee, and provide for a minimum of two classifications, single and family.

3. Premium amounts. The premium amounts to be paid for the Active Duty Dependents Dental plan are established by the Secretary of Defense or designee.

4. Proportion of member's premium share. The proportion of premium share to be paid by the member is established by the Secretary of Defense or designee, at not more than 40 percent of the total premium.

5. Pay deduction. The member’s premium share shall be deducted from the basic pay of the member.

E. PLAN BENEFITS

1. General

   a. Scope of benefits. The Active Duty Dependents Dental Plan provides coverage for certain basic dental diagnostic, minor palliative emergency, preventive, and restorative services to eligible, enrolled dependents of active duty members as set forth in Section C. of this Chapter.
b. Authority to act for the plan. The authority to make benefit determinations and authorize plan payments under the Active Duty Dependents Dental Plan rests primarily with the insurance, service plan, or prepayment dental plan contractor, subject to compliance with federal law and regulation and government contract provisions. The Director, OCHAMPUS, or designee, provides required benefit policy decisions resulting from changes in federal law and regulation and appeal decisions. No other persons or agents (such as dentists or Uniformed Services health benefits advisors) have such authority.

c. Right to information. As a condition precedent to the provision of benefits hereunder, the Director, OCHAMPUS, or designee, shall be entitled to receive information from an authorized provider or other person, institution, or organization (including a local, state, or U.S. Government agency) providing services or supplies to the beneficiary for which claims for benefits are submitted. While establishing enrollment and eligibility, benefits, and benefit utilization and performance reporting information standards; the government has not established and does not maintain a system of records and information for the Dependents Dental Plan. By contract, the government audits the adequacy and accuracy of the dental contractor’s system of records and requires access to information and records to meet program accountabilities. Such information and records may relate to attendance, testing, monitoring, examination, or diagnosis of dental disease or conditions; or treatment rendered; or services and supplies furnished to a beneficiary; and shall be necessary for the accurate and efficient administration and payment of benefits under this plan. Before a determination will be made on a claim of benefits, a beneficiary or active duty member must provide particular additional information relevant to the requested determination, when necessary. Failure to provide the requested information may result in denial of the claim. The recipient of such information shall in every case hold such records confidential except when:

(1) Disclosure of such information is necessary to the determination by a provider or the Plan contractor of beneficiary enrollment or eligibility for coverage of specific services;

(2) Disclosure of such information is authorized specifically by the beneficiary;

(3) Disclosure is necessary to permit authorized governmental officials to investigate and prosecute criminal actions; or

(4) Disclosure constitutes a standard and acceptable business practice commonly used among dental insurers which is consistent with the principle of preserving confidentiality of personal information and detailed clinical data. For example, the release of utilization information for the purpose of determining eligibility for certain services, such as the number of dental prophylaxis procedures performed for a beneficiary, is authorized.

(5) Disclosure by the Director, OCHAMPUS, or designee, is for the purpose of determining the applicability of, and implementing the provisions of, other dental benefits coverage or entitlement.
NOTE: Release by the recipient of the information under the confidentiality exceptions identified in E.1.c. is authorized without consent or notice to any beneficiary or sponsor, to any person, organization, government agency, provider, or other entity.

d. Dental insurance policy, prepayment, or dental service plan contract. The Director, OCHAMPUS, or designee, shall develop a standard insurance policy, prepayment agreement, or dental service plan contract designating OCHAMPUS as the policyholder or purchaser. The policy shall be in the form customarily employed by the dental plan insurer, subject to its compliance with federal law and the provisions of this Regulation.

e. Dental benefits brochure

(1) Content. The Director, OCHAMPUS, or designee shall establish a dental benefits brochure explaining the benefits of the plan in common lay terminology. The brochure shall include the limitations and exclusions and other benefit determination rules for administering the benefits in accordance with the law and this part. The brochure shall include the rules for adjudication and payment of claims, appealable issues, and appeal procedures in sufficient detail to serve as a common basis for interpretation and understanding of the rules by providers, beneficiaries, claims examiners, correspondence specialists, employees and representatives of other government bodies, health benefits advisors, and other interested parties. Any conflict which may occur between the dental benefits brochure and law or regulation shall be resolved in favor of law and regulation.

(2) Distribution. The dental benefits brochure shall be printed and distributed with the assistance of the Uniformed Services health benefits advisors, major personnel centers at Uniformed Services installations, and authorized providers of care to all active duty members enrolling their dependents.

f. Utilization review and quality assurance. Claims submitted for benefits under the Active Duty Dependents Dental Plan are subject to review by the Director, OCHAMPUS or designee for quality of care and appropriate utilization. The Director, OCHAMPUS or designee is responsible for appropriate utilization review and quality assurance standards, norms, and criteria consistent with the level of benefits.

g. Alternative course of treatment policy. The Director, OCHAMPUS or designee may establish, in accordance with generally accepted dental benefit practices, an alternative course of treatment policy which provides reimbursement in instances where the dentist and beneficiary select a more expensive service, procedure, or course of treatment than is customarily provided. The benefit policy must meet the following conditions:

(1) The service, procedure, or course of treatment must be consistent with sound professional standards of dental practice for the dental condition concerned.
(2) The service, procedure, or course of treatment must be a generally accepted alternative for a service or procedure covered by this plan for the dental condition.

(3) Payment for the alternative service or procedure may not exceed the lower of the prevailing limits for the alternative procedure, the prevailing limits or scheduled allowance for the otherwise authorized benefit procedure for which the alternative is substituted, or the actual charge for the alternative procedure.

2. Benefits
   a. Diagnostic, preventive, and emergency palliative services.
      Benefits may be extended for those dental services described as oral examination; diagnostic, emergency minor palliative, and preventive services defined as traditional prophylaxis (i.e., scaling deposits from teeth, polishing teeth, and topical application of fluoride to teeth) when performed directly by dentists or dental hygienists as authorized under Section F of this Chapter. Diagnostic and by report services are covered only when they are necessary to covered preventive and restorative procedures. These services are defined (subject to the dental plan’s exclusions, limitations, and benefit determination rules approved by OCHAMPUS) using the American Dental Association, The Council on Dental Care Programs’ Code On Dental Procedures and Nomenclature as follows:

      (1) Diagnostic
          (a) Clinical oral examinations including initial (00110), periodic (00120), and emergency (00130).

          (b) Radiographs appropriate to the diagnosis and prevention of dental disease, where such services are not directly related to noncovered major procedures. Subject to the dental plan’s exclusions and limitations approved by OCHAMPUS, these procedures are included within the range of 00210 to 00340. Procedures 00290 (posterior-anterior or lateral skull and facial bone survey film), 00315 (sialography), 00320 (temporomandibular joint arthrogram), 00321 (other temporomandibular joint films), and 00340 (cephalometric film) are excluded.

          (c) Tests and laboratory examinations appropriate to the diagnosis and prevention of dental disease, where such services are not directly related to noncovered major procedures. These procedures are included within the range of 00410 to 00999, subject to the dental plan’s exclusions and limitations as adopted by OCHAMPUS. Procedures 00415 (bacteriologic studies to determine pathologic agents), 00470 (diagnostic casts), 00471 (diagnostic photographs), 00501 (histopathologic examinations), 00502 (other oral pathology procedures), and 00999 (unspecified diagnostic procedures) are excluded.

      (2) Preventive
          (a) Dental prophylaxis, including adult (01110) and child (01120).
(b) Topical fluoride treatment, including prophylaxis for a child (01201) and an adult (01205), and (where the Director, OCHAMPUS or designee determines to be appropriate) without prophylaxis for a child (01203) and an adult (01204).

(c)pace maintenance with passive appliances for those procedures included within the range of 01510 and 01550.

(3) Emergency palliative. Minor palliative procedure for immediate and temporary relief of pain and suffering (09110).

b. **Restorative.** Benefits may be extended for basic restorative services of amalgam, composite restorations, and stainless steel crowns for primary teeth when performed directly by dentists or dental hygienists, or under orders and supervision by dentists, as authorized under section F. of this Chapter. These services are defined (subject to the dental plan’s exclusions, limitations, and benefit determination rules as adopted by OCHAMPUS) using the American Dental Association, Council on Dental Care Programs’. Code On Dental Procedures and Nomenclature as follows:

(1) Amalgam restorations, including polishing of one to four or more surfaces for primary and permanent teeth and included within the range of 02110 and 02161.

(2) Silicate restorations (02210).

(3) Resin restorations (subject to accepted dental practice) of one to four surfaces and included within the range of 02330 and 02387.

(4) Stainless steel crown for primary tooth (02930).

(5) Pin retention (02951).

c. **Dental appliance repairs.** Benefits may be extended for repairs to completely removable dentures when performed directly by dentists, or under orders and supervision by dentists as authorized under section F. of this Chapter; subject to the dental plan’s exclusions and limitations as adopted by OCHAMPUS. These procedures are included within the range of 05510 and 05660.

d. **Services “By Report.”** The following procedures are authorized when performed directly by dentists or dental hygienists only in unusual circumstances requiring justification of exceptional conditions directly related to otherwise authorized procedures. They are generally reserved for use where mental or physical impairments prevent the rendering of otherwise authorized procedures of this dental plan without one or more of these additional services. Use of the procedures may not result in the fragmentation of services normally included in a single procedure. These services are defined (subject to the dental plan’s exclusions, limitations, and benefit determination rules as adopted by OCHAMPUS) using the American Dental Association, Council on Dental Care Programs’ Code On Dental Procedures and Nomenclature as follows:
(1) Consultation (09310).
(2) House call (09440)
(3) Hospital call (09420).
(4) Office visit (after hours--09440).
(5) Drug injection (09610).
(6) Other prescription drugs (09630).

e. Exclusion of adjunctive dental care. Under limited circumstances, benefits are available for dental services and supplies under CHAMPUS when the dental care is medically necessary in the treatment of an otherwise covered medical (not dental) condition, is an integral part of the treatment of such medical condition, and is essential to the control of the primary medical condition; or is required in preparation for or as the result of dental trauma which may be or is caused by medically necessary treatment of an injury or disease (iatrogenic). These benefits are excluded under the Active Duty Dependents Dental Plan. For further information on adjunctive dental care benefits under CHAMPUS, see Chapter 4 E.10. a. and b. of this part.

f. Exclusion of benefit services performed in military dental care facilities. Except for emergency treatment and services incidental to non-covered services, dependents enrolled in the Active Duty Dependents Dental Plan may not obtain those services which are benefits of the Plan in military dental care facilities. Enrolled dependents may continue to obtain non-covered services from military dental care facilities subject to the provisions for space available care.

g. Benefit limitations and exclusions. The Director, OCHAMPUS or designee may establish such exclusions and limitations as are consistent with those established by dental insurance and prepayment plans to control utilization and quality of care for the services and items covered by this dental plan.

3. Beneficiary or sponsor liability

a. Diagnostic, preventive, and emergency palliative services. Enrolled dependents of active duty members or their sponsors are responsible for the payment of only amounts for services rendered by nonparticipating providers of care which exceed the equivalent of the statewide or regional prevailing fee levels as established by the insurer. Where the dental plan is unable to identify a participating provider of care within 35 miles of the dependent’s place of residence with appointment availability within 21 calendar days, the dental plan will reimburse the dependent, or sponsor, or the nonparticipating provider selected by the dependent within 35 miles of the dependent’s place of residence at the level of the provider’s usual fees.
b. **Restorative services.** Enrolled dependents of active duty members or their sponsors are responsible for payment of 20 percent of the amounts determined by the insurer for services rendered by participating providers of care or 20 percent of these amounts plus any remainder of the charges made by nonparticipating providers of care. Where the dental plan is unable to identify a participating provider of care within 35 miles of the dependent's place of residence with appointment availability within 21 calendar days, dependents or their sponsors are responsible for payment of 20 percent of the charges made by nonparticipating providers located within 35 miles of the dependent's place of residence.

c. **Dental appliance repairs.** Enrolled dependents of active duty members are responsible for payment of the cost sharing amounts as provided in subparagraph E.3.b. immediately above.

d. **Services "by report."** Enrolled dependents of active duty members or their sponsors are responsible for payment of these services in accordance with their relationship to the otherwise authorized benefit procedures. For example, home visit charges which occur primarily for the purpose of rendering restorative services require payment of the 20 percent, while a home visit for purposes of dental prophylaxis do not require payment of the 20 percent. Payment of any remaining amount in excess of the prevailing charge limits established by the insurer would be required for services rendered by nonparticipating providers in either of the examples given, subject to the exceptions for dependent lack of access to participating providers as provided in a. and b. of this section. The contracting dental insurer may recognize a "by report" condition by providing an additional allowance to the primary covered procedure instead of recognizing or permitting a distinct billing for the "by report" service.

e. **Amounts over the dental insurer's established allowances for charges.** It is the responsibility of the dental plan insurer to determine allowable charges for the procedures identified as benefits of this plan. All benefits of the plan are based on the insurer's determination of the allowable charges, subject to the exceptions for lack of access to participating providers as provided in subparagraphs E.3.a. and b. above.

F. **AUTHORIZED PROVIDERS**

1. **General.** This section sets forth general policies and procedures that are the basis for the Active Duty Dependents Dental Plan cost sharing of dental services and supplies provided by or under the direct supervision or prescription by dentists, and by dental hygienists, within the scope of their licensure.

   a. **Listing of provider does not guarantee payment of benefits.** The fact that a type of provider is listed in this section is not to be construed to mean that the Active Duty Dependents Dental Plan will pay automatically a claim for services or supplies provided by such a provider. The Director, OCHAMPUS or designee also must determine if the patient is an eligible beneficiary, whether the services or supplies billed are authorized and medically
necessary, and whether any of the authorized exclusions of otherwise qualified providers presented in this section apply.

b. Conflict of interest. See Chapter 9, D.2.d. of this Regulation.

c. Fraudulent practices or procedures. See Chapter 9, C. of this Regulation.

d. Utilization review and quality assurance. Services and supplies furnished by providers, of care shall be subject to utilization review and quality assurance standards, norms, and criteria established by the dental plan. Utilization review and quality assurance assessments shall be performed by the dental plan consistent with the nature and level of benefits of the plan, and shall include analysis of the data and findings by the dental plan insurer from other dental accounts.

e. Provider required. In order to be considered benefits, all services and supplies shall be rendered by, prescribed by, or furnished at the direction of, or on the order of an Active Duty Dependents Dental Plan authorized provider practicing within the scope of his or her license.

f. Participating provider. An authorized provider may elect to participate and accept the fee or charge determinations as established and made known to the provider by the dental plan insurer. The fee or charge determinations are binding upon the provider in accordance with the dental plan insurer’s procedures for participation. The authorized provider may not participate on a claim-by-claim basis. The participating provider must agree to accept within one day of a request for appointment, beneficiaries in need of emergency palliative treatment. Payment to the participating provider is based on the lower of the actual charge or the insurer’s determination of the allowable charge. Payment is made directly to the participating provider, and the participating provider may charge the beneficiary only for the 20 percent cost share of the allowable charge for authorized restorative services in addition to the charges for any services not authorized as benefits.

g. Nonparticipating provider. An authorized provider may elect for all beneficiaries not to participate and request the beneficiary or sponsor to pay any amount of the provider’s billed charge in excess of the dental plan insurer’s determination of allowable charges. Neither the government nor the dental plan insurer shall have any responsibility for any amounts over the allowable charges as determined by the dental plan insurer, except where the dental plan insurer is unable to identify a participating provider of care within 35 miles of the dependent’s place of residence with appointment availability within 21 calendar days. In such instances of the nonavailability of a participating provider, the nonparticipating provider located within 35 miles of the dependent’s place of residence shall be paid his or her usual fees, less the 20 percent cost share for restorative services and related services by report.

(1) Assignment. A nonparticipating provider may accept assignment of claims for beneficiaries certifying their willingness to make
such assignment by filing the claims completed with the assistance of the beneficiary or sponsor for direct payment by the dental plan insurer to the provider.

(2) **Nonassignment.** A nonparticipating provider for all beneficiaries may request the beneficiary or sponsor to file the claim directly with the dental plan insurer, making arrangements with the beneficiary or sponsor for direct payment by the beneficiary or sponsor.

2. **Dentists.** Subject to standards of participation provisions of this part, the following are authorized providers of care:

   a. Doctors of Dental Surgery *(D.D.S.)* having a degree from an accredited school of dentistry, licensed to practice dentistry by a state board of dental examiners and practicing within the scope of their licenses, whether in individual, group, or clinic practice settings.

   b. Doctors of Dental Medicine *(D.M.D.)* having a degree from an accredited school of dentistry, licensed to practice dentistry by a state board of dental examiners, and practicing within the scope of their licenses, whether in individual, group, or clinic practice settings.

3. **Dental hygienists.** Subject to state licensure laws and standards of participation provisions of this part, dental hygienists having either an associate degree, certificate, or baccalaureate degree from an accredited school of dental hygiene, licensed to practice dental hygiene by a state board, and practicing within the scope of their licenses, whether in individual, group, or clinic practice settings.

   **NOTE:** Dental hygienists may independently bill and receive payment only in a few states where state licensure laws authorize them as independent providers of care. In nearly all states at the present time, the dental hygienist performs services under the supervision of a dentist and the Dependents Dental Plan will pay for such services in these states only when supervised and billed by a dentist.

4. **Alternative delivery systems**

   a. **General.** Alternative delivery systems may be established by the Director, OCHAMPUS or designee as authorized providers. Only dentists and dental hygienists shall be authorized to provide or direct the provision of authorized services and supplies in an approved alternative delivery system.

   b. **Defined.** An alternative delivery system may be any approved arrangement for a preferred provider organization, cavitation plan, dental health maintenance or clinic organization, or other contracted arrangement which is approved by OCHAMPUS in accordance with requirements and guidelines.
Elective or exclusive arrangement. Alternative delivery systems may be established by contract or other arrangement on either an elective or exclusive basis for beneficiary selection of participating and authorized providers in accordance with contractual requirements and guidelines.

d. Provider election of participation. Otherwise authorized providers must be provided with the opportunity of applying for participation in an alternative delivery system and of achieving participation status based on reasonable criteria for timeliness of application, quality of care, cost containment, geographic location, patient availability, and acceptance of reimbursement allowances.

e. Limitation on authorized providers. Where exclusive alternative delivery systems are established, only providers participating in the alternative delivery system are authorized providers of care. In such instances, the dental plan shall continue to pay beneficiary claims for services rendered by otherwise authorized providers in accordance with established rules for reimbursement of nonparticipating providers where the beneficiary has established a patient relationship with the nonparticipating provider prior to the dental plan’s proposal to subcontract with the alternative delivery system.

f. Charge agreements. Where the alternative delivery system employs a discounted fee-for-service reimbursement methodology or schedule of charges or rates which includes all or most dental services and procedures recognized by the American Dental Association, Council on Dental Care Programs “Code on Dental Procedures and Nomenclature,” the discounts or schedule of charges or rates for all dental services and procedures shall be extended by its participating providers to beneficiaries of the Active Duty Dependents Dental Plan as an incentive for beneficiary participation in the alternative delivery system.

5. Billing practices. The Director, OCHAMPUS, or designee, approves the dental plan’s procedures governing the itemization and completion of claims for services rendered by authorized providers to enrolled beneficiaries of the Active Duty Dependents Dental Plan consistent with the insurer’s existing procedures for completion and submittal of dental claims for its other dental plans and accounts.

6. Reimbursement of authorized providers. The Director, OCHAMPUS or designee, approves the dental plan methodology for reimbursement of services rendered by authorized providers consistent with law, regulation, and contract provisions, and the benefits of the Active Duty Dependents Dental Plan. The following general requirements for the methodology shall be met, subject to modifications and exceptions approved by the Director, OCHAMPUS or a designee.

a. Nonparticipating providers (or the dependents or sponsors for unassigned claims) shall be reimbursed at the equivalent of not less than the 50th percentile of prevailing charges made for similar services in the same locality (region) or state, or the provider’s actual charge, whichever is lower; less any cost share amount due for restorative services, except where
the dental plan insurer is unable to identify a participating provider of care within 35 miles of the dependent’s place of residence with appointment availability within 21 calendar days. In such instances of the nonavailability of a participating provider, the nonparticipating provider located within 35 miles of the dependent’s place of residence shall be paid his or her usual fees, less the 20 percent cost share for restorative services and related services by report.

b. Participating providers shall be reimbursed at the equivalent of a percentile of prevailing charges sufficiently above the 50th percentile of prevailing charges made for similar services in the same locality (region) or state as to constitute a significant financial incentive for participation, or the provider’s actual charge, whichever is lower; less any cost share amount due for restorative services.

G. BENEFIT PAYMENT

1. General. Active Duty Dependent Dental Plan benefit payments are made either directly to the provider or to the beneficiary or sponsor, depending on the manner in which the claim is submitted or the terms of the subcontract of an alternative delivery system with the dental plan insurer.

2. Benefit payments made to a participating provider. When the authorized provider has elected to participate in accordance with the arrangement and procedures established by the dental plan insurer, payment is made based on the lower of the actual charge or the insurer’s determination of the allowable charge. Payment is made directly to the participating provider as payment in full, less the 20 percent cost share of the allowable charge for any of the restorative services authorized as benefits. The beneficiary or sponsor is responsible only for any required cost-sharing.

3. Benefit payments made to a nonparticipating provider. When the authorized provider has elected not to participate in accordance with the arrangement and procedures established by the dental plan, payment is made by the insurer based on the lower of the actual charge or the insurer’s determination of the allowable charge. The beneficiary is responsible for payment of the 20 percent cost-share of the allowable charge for any restorative services authorized as benefits, and any amount of the charge for all services above the allowable charge. Where the dental plan is unable to identify a participating provider of care within 35 miles of the dependent’s place of residence with appointment availability within 21 calendar days, dependents or their sponsors are responsible for payment of 20 percent of the charges made by nonparticipating providers located within 35 miles of the dependent’s place of residence.

a. Assigned claims are claims submitted directly by the nonparticipating provider and are paid directly to the provider.

b. Nonassigned claims are claims submitted by the beneficiary, provider, or sponsor and are paid directly to the claimant.
4. Dental Explanation of Benefits (DEOB). An explanation of benefits is sent to the beneficiary or sponsor and provides the following information:
   a. Name and address of the beneficiary.
   b. Social Security Account Number (SSAN) of the sponsor.
   c. Name and address of the provider.
   d. Services or supplies covered by the claim for which the DEOB applies.
   e. Dates the services or supplies were provided.
   f. Amount billed; allowable charge; and amount of payment.
   g. To whom payment, if any, was made.
   h. Reasons for any denial.
   i. Recourse available to beneficiary for review of claim decision (refer to section H. of this Chapter).

5. Fraud
   a. Federal laws. 18 U.S.C. 287 and 1001 provide for criminal penalties for submitting knowingly or making any false, fictitious, or fraudulent statement or claim in any matter within the jurisdiction of any department or agency of the United States. Examples of fraud include situations in which ineligible persons not enrolled in the Active Duty Dependents Dental Plan obtain care and file claims for benefits under the name and identification of an enrolled beneficiary; or when providers submit claims for services and supplies not rendered to enrolled beneficiaries; or when a participating provider bills the beneficiary for amounts over the dental plan insurer's determination of allowable charges; or fails to collect the specified patient copayment amount.

   b. Suspected fraud. Any person, including the dental plan insurer, who becomes aware of a suspected fraud shall report the circumstances in writing, together with copies of any available documents pertaining thereto, to the Director, OCHAMPUS, or a designee, who shall initiate an official investigation of the case.

H. APPEAL AND HEARING PROCEDURES

1. General. This section sets forth the policies and procedures for appealing decisions made by the dental plan adversely affecting the rights and liabilities of beneficiaries, participating providers, and providers denied the status of authorized provider under the Active Duty Dependents Dental Plan. An appeal under the Active Duty Dependents Dental Plan is an administrative review of program determinations made under the provisions of law and regulation. An appeal cannot challenge the propriety, equity, or legality of any provision of law and regulation.
a. Initial determination

(1) Notice of initial determination and right to appeal

(a) The dental plan contractor shall mail notices of initial determinations to the Active Duty Dependents Dental Plan beneficiary at the last known address. For beneficiaries who are under 18 years of age or who are incompetent, a notice issued to the parent or guardian constitutes notice to the beneficiary.

(b) The dental plan contractor shall notify providers of an initial determination on a claim only if the providers participated in the claim or accepted assignment.

(c) Notice of an initial determination on a claim by the dental plan contractor shall be made in the contractor's explanation of benefits (beneficiary) or with the summary of payment (provider).

(d) Each notice of an initial determination on a request for benefit authorization, a request by a provider for approval as an authorized provider, or a decision to disqualify or exclude a provider as an authorized provider under the Active Duty Dependents Dental Plan shall state the reason for the determination and the underlying facts supporting the determination.

(e) In any case when the initial determination is adverse to the beneficiary or participating provider or to the provider seeking approval as an authorized provider, the notice shall include a statement of the beneficiary's or provider's right to appeal the determination. The procedure for filing the appeal also shall be explained.

(2) Effect of initial determination. The initial determination is final, unless appealed in accordance with this section or unless the initial determination is reopened by OCHAMPUS or the dental plan contractor.

b. Participation in an appeal. Participation in an appeal is limited to any party to the initial determination, including OCHAMPUS, the dental plan contractor, and authorized representatives of the parties. Any party to the initial determination, except OCHAMPUS and the dental plan contractor, may appeal an adverse determination. The appealing party is the party who actually files the appeal.

(1) Parties to the initial determination. For purposes of these appeal and hearing procedures, the following are not parties to an initial determination and are not entitled to administrative review under this section.

(a) A provider disqualified or excluded as an authorized provider under the Active Duty Dependents Dental Plan based on a determination under another Federal or federally funded program is not a party to the OCHAMPUS action and may not appeal under this section.
(b) A sponsor or parent of a beneficiary under 18 years of age or guardian of an incompetent beneficiary is not a party to the initial determination and may not serve as the appealing party, although such persons may represent the appealing party in an appeal.

(c) A third party other than the dental plan contractor, such as an insurance company, is not a party to the initial determination and is not entitled to appeal, even though it may have an indirect interest in the initial determination.

(d) A nonparticipating provider is not a party to the initial determination and may not appeal.

(2) Representative. Any party to the initial determination may appoint a representative to act on behalf of the party in connection with an appeal. Generally, the parent of a minor Beneficiary and the legally appointed guardian of an incompetent beneficiary shall be presumed to have been appointed representative without specific designation by the beneficiary.

(a) The representative shall have the same authority as the party to the appeal, and notice given to the representative shall constitute notice required to be given to the party under this part.

(b) To avoid possible conflicts of interest, an officer or employee of the United States, such as an employee or member of a Uniformed Service, including an employee or staff member of a Uniformed Service legal office, or a CHAMPUS advisor, subject to the exceptions in 18 U.S.C. 205, is not eligible to serve as a representative. An exception usually is made for an employee or member of a Uniformed Service who represents an immediate family member. In addition, the Director, OCHAMPUS, or designee, may appoint an officer or employee of the United States as the OCHAMPUS representative at a hearing.

c. Burden of proof. The burden of proof is on the appealing party to establish affirmatively by substantial evidence the appealing party’s entitlement under law and this Regulation to the authorization of the Active Duty Dependents Dental Plan benefits or approval as an authorized provider. Any cost or fee associated with the production or submission of information in support of an appeal may not be paid by OCHAMPUS.

d. Late filing. If a request for reconsideration, formal review, or hearing is filed after the time permitted in this section, written notice shall be issued denying the request. Late filing may be permitted only if the appealing party reasonably can demonstrate to the satisfaction of the dental plan contractor, or the Director, OCHAMPUS, or designee, that timely filing of the request was not feasible due to extraordinary circumstances over which the appealing party had no practical control. Each request for an exception to the filing requirement will be considered on its own merits.

e. Appealable issue. An appealable issue is required in order for an adverse determination to be appealed under the provisions of this section. Examples of issues that are not appealable under this section include:
(1) A dispute regarding a requirement of the law or regulation.

(2) The amount of the dental plan contractor-determined allowable charge since the methodology constitutes a limitation on benefits under the provisions of this part.

(3) Certain other issues on the basis that the authority for the initial determination is not vested in OCHAMPUS. Such issues include but are not limited to the following examples:

(a) Determination of a person’s eligibility as an enrolled beneficiary in the Active Duty Dependents Dental Plan is the responsibility of the appropriate Uniformed Service. Although OCHAMPUS and the dental plan contractor must make determinations concerning a beneficiary’s enrollment, ultimate responsibility for resolving a beneficiary’s eligibility and enrollment rests with the Uniformed Services. Accordingly, a disputed question of fact concerning a beneficiary’s enrollment or eligibility will not be considered an appealable issue under the provisions of this section, but shall be resolved in accordance with Section C of this Chapter.

(b) The decision to disqualify or exclude a provider because of a determination against that provider under another Federal or federally funded program is not an initial determination that is appealable under this section. The provider is limited to exhausting administrative appeal rights offered under the Federal or federally funded program that made the initial determination. However, a determination to disqualify or exclude a provider because of abuse or fraudulent practices or procedures under the Active Duty Dependents Dental Plan is an initial determination that is appealable under this section.

f. Amount in dispute. An amount in dispute is required for an adverse determination to be appealed under the provisions of this section, except as set forth in the following.

(1) The amount in dispute is calculated as the amount of money the dental plan contractor would pay if the services and supplies involved in dispute were determined to be authorized benefits of the Active Duty Dependents Dental Plan. Examples of amounts of money that are excluded by this section from payments for authorized benefits include, but are not limited to:

(a) Amounts in excess of the dental plan contractor-determined allowable charge.

(b) The beneficiary’s cost-share amounts for restorative services.

(c) Amounts that the beneficiary, or parent, guardian, or other responsible person has no legal obligation to pay.
(2) There is no requirement for an amount in dispute when the appealable issue involves a denial of a provider’s request for approval as an authorized provider or the determination to disqualify or exclude a provider as an authorized provider.

(3) Individual claims may be combined to meet the required amount in dispute if all of the following exist:

(a) The claims involve the same beneficiary.

(b) The claims involve the same issue.

(c) At least one of the claims so combined has had a reconsideration decision issued by the dental plan contractor.

NOTE: A request for administrative review under this appeal process which involves a dispute regarding a requirement of law or regulation (paragraph i.e. (l) of this section) or does not involve a sufficient amount in dispute (paragraph 1.f. of this section) may not be rejected at the reconsideration level of appeal. However, an appeal shall involve an appealable issue and sufficient amount in dispute under these subsections to be granted a formal review or hearing.

g. Levels of appeal. The sequence and procedures of an Active Duty Dependents Dental Plan appeal are contained in the following.

(1) Reconsideration by the dental plan contractor.

(2) Formal review by OCHAMPUS.

(3) Hearing.

2. Reconsideration. Any party to the initial determination made by the dental plan contractor may request a reconsideration.

a. Requesting a reconsideration

(1) Written request required. The request must be in writing, shall state the specific matter in dispute, and shall include a copy of the notice of initial determination made by the dental plan contractor, such as the explanation of benefits.

(2) Where to file. The request shall be submitted to the dental plan contractor’s office as designated in the notice of initial determination.

(3) Allowed time to file. The request must be mailed within 90 days after the date of the notice of initial determination.
(4) Official filing date. A request for a reconsideration shall be deemed filed on the date it is mailed and postmarked. If the request does not have a postmark, it shall be deemed filed on the date received by the dental plan contractor.

b. The reconsideration process. The purpose of the preconsideration is to determine whether the initial determination was made in accordance with law, regulation, policies, and guidelines in effect at the time the care was provided or requested or at the time the provider requested approval as an authorized provider. The reconsideration is performed by a member of the dental plan contractor’s staff who was not involved in making the initial determination and is a thorough and independent review of the case. The reconsideration is based on the information submitted that led to the initial determination, plus any additional information that the appealing party may submit or the dental plan contractor may obtain.

c. Timeliness of reconsideration determination. The dental plan contractor normally shall issue its reconsideration determination no later than 60 days from the date of its receipt of the request for reconsideration.

d. Notice of reconsideration determination. The dental plan contractor shall issue a written notice of the reconsideration determination to the appealing party at his or her last known address. The notice of the reconsideration determination must contain the following elements:

(1) A statement of the issue or issues under appeal.

(2) The provisions of law, regulation, policies, and guidelines that apply to the issue or issues under appeal.

(3) A discussion of the original and additional information that is relevant to the issue or issues under appeal.

(4) Whether the reconsideration upholds the initial determination or reverses it, in whole or in part, and the rationale for the action.

(5) A statement of the right to appeal further in any case when the reconsideration determination is less than fully favorable to the appealing party and the amount in dispute is $50 or more.

e. Effect of reconsideration determination. The reconsideration determination is final if either of the following exist:

(1) The amount in dispute is less than $50.

(2) Appeal rights have been offered, but a request for formal review is not received by OCHAMPUS within 60 days of the date of the notice of the reconsideration determination.

3. Formal review. Any party to the initial determination may request a formal review by OCHAMPUS if the party is dissatisfied with the reconsideration determination and the reconsideration determination is not final under
the provisions of paragraph 2.e. of this section. Any party to the initial determination made by OCHAMPUS may request a formal review by OCHAMPUS if the party is dissatisfied with the initial determination.

a. Requesting a formal review

(1) Written request required. The request must be in writing, shall state the specific matter in dispute, shall include copies of the written determination (notice of reconsideration determination) being appealed, and shall include any additional information or documents not submitted previously.

(2) Where to file. The request shall be submitted to the Chief, Appeals and Hearings, OCHAMPUS, Aurora, Colorado 80045-6900.

(3) Allowed time to file. The request shall be mailed within 60 days after the date of the notice of the reconsideration determination being appealed.

(4) Official filing date. A request for a formal review shall be deemed filed on the date it is mailed and postmarked. If the request does not have a postmark, it shall be deemed filed on the date received by OCHAMPUS.

b. The formal review process. The purpose of the formal review is to determine whether the initial determination or reconsideration determination was made in accordance with law, regulation, policies, and guidelines in effect at the time the care was provided or requested, at the time the provider requested approval as an authorized provider, or at the time of the action by OCHAMPUS to disqualify or exclude a provider. The formal review is performed by the Chief, Appeals and Hearings, OCHAMPUS, or a designee, and is a thorough review of the case. The formal review determination shall be based on the information upon which the initial determination or reconsideration determination was based and any additional information the appealing party or the dental plan contractor may submit or OCHAMPUS may obtain.

c. Timeliness of formal review determination. The Chief, Appeals and Hearings, OCHAMPUS, or a designee, normally shall issue the formal review determination no later than 90 days from the date of receipt of the request for formal review by the OCHAMPUS.

d. Notice of formal review determination. The Chief, Appeals and Hearings, OCHAMPUS, or a designee, shall issue a written notice of the formal review determination to the appealing party at his or her last known address. The notice of the formal review determination must contain the following elements:

(1) A statement of the issue or issues under appeal.

(2) The provisions of law, regulation, policies, and guidelines that apply to the issue or issues under appeal.
(3) A discussion of the original and additional information that is relevant to the issue or issues under appeal.

(4) Whether the formal review upholds the prior determination or reverses the prior determination or determinations in whole or in part and the rationale for the action.

(5) A statement of the right to request a hearing in any case when the formal review determination is less than fully favorable, the issue is appealable, and the amount in dispute is $300 or more.

e. **Effect of formal review determination.** The formal review determination is final if one or more of the following exist:

   (1) The issue is not appealable. (See paragraph i.e. of this section.)

   (2) The amount in dispute is less than $300. (See paragraph 1.f. of this section.)

   (3) Appeal rights have been offered, but a request for hearing is not received by OCHAMPUS within 60 days of the date of the notice of the formal review determination.

4. **Hearing.** Any party to the initial determination may request a hearing if the party is dissatisfied with the formal review determination and the formal review determination is not final under the provisions of paragraph 3.e. of this section.

   a. **Requesting a hearing**

      (1) **Written request required.** The request shall be in writing, state the specific matter in dispute, include a copy of the formal review determination, and include any additional information or documents not submitted previously.

      (2) **Where to file.** The request shall be submitted to the Chief, Appeals and Hearings, OCHAMPUS, Aurora, Colorado 80045-6900.

      (3) **Allowed time to file.** The request shall be mailed within 60 days after the date of the notice of the formal review determination being appealed.

      (4) **Official filing date.** A request for hearing shall be deemed filed on the date it is mailed and postmarked. If a request for hearing does not have a postmark, it shall be deemed filed on the date received by OCHAMPUS.

   b. **The hearing process.** The hearing shall be conducted as a nonadversary, administrative proceeding to determine the facts of the case and to allow the appealing party the opportunity personally to present the case before an impartial hearing officer. The hearing is a forum in which facts
relevant to the case are presented and evaluated in relation to applicable law, regulation, policies, and guidelines in effect at the time the care was provided or requested, or at the time the provider requested approval as an authorized provider.

c. **Timeliness of hearing**

(1) Except as otherwise provided in this section, within 60 days following receipt of a request for hearing, the Director, OCHAMPUS, or a designee, normally will appoint a hearing officer to hear the appeal. Copies of all records in the possession of OCHAMPUS that are pertinent to the matter to be heard or that formed the basis of the formal review determination shall be provided to the hearing officer and, upon request, to the appealing party.

(2) The hearing officer, except as otherwise provided in this section, normally shall have 60 days from the date of written notice of assignment to review the file, schedule and hold the hearing, and issue a recommended decision to the Director, OCHAMPUS, or designee.

(3) The Director, OCHAMPUS, or designee, may delay the case assignment to the hearing officer if additional information is needed that cannot be obtained and included in the record within the time period specified above. The appealing party will be notified in writing of the delay resulting from the request for additional information. The Director, OCHAMPUS, or a designee, in such circumstances, will assign the case to a hearing officer within 30 days of receipt of all such additional information or within 60 days of receipt of the request for hearing, whichever shall occur last.

(4) The hearing officer may delay submitting the recommended decision if, at the close of the hearing, any party to the hearing requests that the record remain open for submission of additional information. In such circumstances, the hearing officer will have 30 days following receipt of all such additional information including comments from the other parties to the hearing concerning the additional information to submit the recommended decision to the Director, OCHAMPUS, or a designee.

d. **Representation at a hearing.** Any party to the hearing may appoint a representative to act on behalf of the party at the hearing, unless such person currently is disqualified or suspended from acting in another Federal administrative proceeding, or unless otherwise prohibited by law, this part, or any other DoD regulation (see paragraph 1 of this section). A hearing officer may refuse to allow any person to represent a party at the hearing when such person engages in unethical, disruptive, or contemptuous conduct, or intentionally fails to comply with proper instructions or requests of the hearing officer or the provisions of this part. The representative shall have the same authority as the appealing party, and notice given to the representative shall constitute notice required to be given to the appealing party.
e. **Consolidation of proceedings.** The Director, OCHAMPUS, or a designee, may consolidate any number of proceedings for hearing when the facts and circumstances are similar and no substantial right of an appealing party will be prejudiced.

f. **Authority of the hearing officer.** The hearing officer, in exercising the authority to conduct a hearing under this part, will be bound by 10 U.S.C., Chapter 55 and this part. The hearing officer in addressing substantive, appealable issues shall be bound by the dental benefits brochure, policies, procedures, and other guidelines issued by the ASD(HA), or a designee, or by the Director, OCHAMPUS, or a designee, in effect for the period in which the matter in dispute arose. A hearing officer may not establish or amend the dental benefits brochure, policy, "procedures, instructions, or guidelines. However, the hearing officer may recommend reconsideration of the policy, procedures, instructions or guidelines by the ASD(HA), or a designee, when the final decision is issued in the case.

g. **Disqualification of hearing officer.** A hearing officer voluntarily shall **disqualify** himself or herself and withdraw from any proceeding in which the hearing officer cannot give fair or impartial hearing, or in which there is a conflict of interest. A party to the hearing may request the disqualification of a hearing officer by filing a statement detailing the reasons the party believes that a fair and impartial hearing cannot be given or that a conflict of interest exists. Such request immediately shall be sent by the appealing party or the hearing officer to the Director, OCHAMPUS, or a designee, who shall investigate the allegations and advise the complaining party of the decision in writing. A copy of such decision also shall be mailed to all other parties to the hearing. If the Director, OCHAMPUS, or a designee, reassigns the case to another hearing officer, no investigation shall be required.

h. **Notice and scheduling of hearing.** The hearing officer shall issue by certified mail, when **practicable,** a written notice to the parties to the hearing of the time and place for the hearing. Such notice shall be mailed at least 15 days before the scheduled date of the hearing. The notice shall contain sufficient information about the hearing procedure, including the party’s right to representation, to allow for effective preparation. The notice also shall advise the appealing party of the right to request a copy of the record before the hearing. Additionally, the notice shall advise the appealing party of his or her responsibility to furnish the hearing officer, no later than 7 days before the scheduled date of the hearing, a list of all witnesses who will testify and a copy of all additional information to be presented at the hearing. The time and place of the hearing shall be determined by the hearing officer, who shall select a reasonable time and location mutually convenient to the appealing party and OCHAMPUS.

i. **Dismissal of request for hearing**

   (1) **By application of appealing party.** A request for hearing may be dismissed by the Director, OCHAMPUS, or a designee, at any time before the mailing of the final decision, upon the application of the appealing party. A request for dismissal must be in writing and filed with the Chief,
appeals and Hearings, OCHAMPUS, or the hearing officer. When dismissal is requested, the formal review determination in the case shall be deemed final, unless the dismissal is vacated in accordance with subparagraph (5) below.

(2) By stipulation of the parties to the hearing. A request for a hearing may be dismissed by the Director, OCHAMPUS, or a designee, at any time before the mailing of notice of the final decision under a stipulation agreement between the appealing party and OCHAMPUS. When dismissal is entered under a stipulation, the formal review decision shall be deemed final, unless the dismissal is vacated in accordance with subparagraph (5) below.

(3) By abandonment. The Director, OCHAMPUS, or a designee, may dismiss a request for hearing upon abandonment by the appealing party.

(a) An appealing party shall be deemed to have abandoned a request for hearing, other than when personal appearance is waived in accordance with paragraph 4.k. (13), below, if neither the appealing party nor an appointed representative appears at the time and place fixed for the hearing and if, within 10 days after the mailing of a notice by certified mail to the appealing party by the hearing officer to show cause, such party does not show good and sufficient cause for such failure to appear and failure to notify the hearing officer before the time fixed for hearing that an appearance could not be made.

(b) An appealing party shall be deemed to have abandoned a request for hearing if, before assignment of the case to the hearing officer, OCHAMPUS is unable to locate either the appealing party or an appointed representative.

(c) An appealing party shall be deemed to have abandoned a request for hearing if the appealing party fails to prosecute the appeal. Failure to prosecute the appeal includes, but is not limited to, an appealing party’s failure to provide information reasonably requested by OCHAMPUS or the hearing officer for consideration in the appeal.

(d) If the Director, OCHAMPUS, or a designee, dismisses the request for hearing because of abandonment, the formal review determination in the case shall be deemed to be final, unless the dismissal is vacated in accordance with paragraph 4.i.(5) below.

(4) For cause. The Director, OCHAMPUS, or a designee, may dismiss for cause a request for hearing either entirely or as to any stated issue. If the Director, OCHAMPUS, or a designee, dismisses a hearing request for cause, the formal review determination in the case shall be deemed to be final, unless the dismissal is vacated in accordance with paragraph 4.i.(5) below. A dismissal for cause may be issued under any of the following circumstances:

(a) When the appealing party requesting the hearing is not a proper party under paragraph lb.(1), above, or does not otherwise have a right to participate in a hearing.
(b) When the appealing party who filed the hearing request dies, and there is no information before the Director, OCHAMPUS, or a designee, showing that a party to the initial determination who is not an appealing party may be prejudiced by the formal review determination.

(c) When the issue is not appealable (See paragraph i.e. of this section.)

(d) When the amount in dispute is less than $300 (See paragraph 1.f. of this section.)

(e) When all appealable issues have been resolved in favor of the appealing party.

(5) Vacation of dismissal. Dismissal of a request for hearing may be vacated by the Director, OCHAMPUS, or a designee, upon written request of the appealing party, if the request is received within 6 months of the date of the notice of dismissal mailed to the last known address of the party requesting the hearing.

j. Preparation for hearing

(1) Prehearing statement of contentions. The hearing officer may on reasonable notice, require a party to the hearing to submit a written statement of contentions and reasons. The written statement shall be provided to all parties to the hearing before the hearing takes place.

(2) Agency records

(a) Hearing officer. A hearing officer may ask OCHAMPUS to produce, for inspection, any records or relevant portions of records when they are needed to decide the issues in any proceeding before the hearing officer or to assist an appealing party in preparing for the proceeding.

(b) Appealing party. A request to a hearing officer by an appealing party for disclosure or inspection of OCHAMPUS or the dental plan contractor records shall be in writing and shall state clearly what information and records are required.

(3) Witnesses and evidence. All parties to a hearing are responsible for producing, at each party’s expense, meaning without reimbursement of payment by OCHAMPUS, witnesses and other evidence in their own behalf, and for furnishing copies of any such documentary evidence to the hearing officer and other party or parties to the hearing. The Department of Defense is not authorized to subpoena witnesses or records. The hearing officer may issue invitations and requests to individuals to appear and testify without cost to the Government, so that the full facts in the case may be presented.

(4) Interrogatories and depositions. A hearing officer may arrange to take interrogatories and depositions, recognizing that the Department of Defense does not have subpoena authority. The expense shall be
assessed to the requesting party, with copies furnished to the hearing officer and other party or parties to the hearing.

k. **Conduct of hearing**

(1) **Right to open hearing.** Because of the personal nature of the matters to be considered, hearings normally shall be closed to the public. However, the appealing party may request an open hearing. If this occurs, the hearing shall be open, except when protection of other legitimate Government purposes dictates closing certain portions of the hearing.

(2) **Right to examine parties to the hearing and their witnesses.** Each party to the hearing shall have the right to produce and examine witnesses, to introduce exhibits, to question opposing witnesses on any matter relevant to the issue even though the matter was not covered in the direct examination, to impeach any witness regardless of which party to the hearing first called the witness to testify, and to rebut any evidence presented. Except for those witnesses employed by OCHAMPUS at the time of the hearing or records in the possession of OCHAMPUS, a party to a hearing shall be responsible, that is to say no payment or reimbursement shall be made by CHAMPUS for the cost or fee associated with producing witnesses or other evidence in the party’s own behalf, or for furnishing copies of documentary evidence to the hearing officer and other party or parties to the hearing.

(3) **Burden of proof.** The burden of proof is on the appealing party affirmatively to establish by substantial evidence the appealing party’s entitlement under law and this Regulation to the authorization of Active Duty Dependents Dental Plan benefits or approval as an authorized provider. Any part of the cost or fee associated with producing or submitting in support of an appeal may not be paid by OCHAMPUS.

(4) **Taking of evidence.** The hearing officer shall control the taking of evidence in a manner best suited to ascertain the facts and safeguard the rights of the parties to the hearing. Before taking evidence, the hearing officer shall identify and state the issues in dispute on the record and the order in which evidence will be received.

(5) **Questioning and admission of evidence.** A hearing officer may question any witness and shall admit any relevant evidence. Evidence that is irrelevant or unduly repetitious shall be excluded.

(6) **Relevant evidence.** Any relevant evidence shall be admitted, unless unduly repetitious, if it is the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of such evidence over objection in civil or criminal actions.

(7) **Active Duty Dependents Dental Plan determination first.** The basis of the Active Duty Dependents Dental Plan determinations shall be presented to the hearing officer first. The appealing party shall then be given the opportunity to establish affirmatively why this determination is held to be in error.

13-34
(8) **Testimony.** Testimony shall be taken only on oath, affirmation, or penalty of perjury.

(9) **Oral argument and briefs.** At the request of any party to the hearing made before the close of the hearing, the hearing officer shall grant oral argument. If written argument is requested, it shall be granted, and the parties to the hearing shall be advised as to the time and manner within which such argument is to be filed. The hearing officer may require any party to the hearing to submit written memoranda pertaining to any or all issues raised in the hearing.

(10) **Continuance of hearing.** A hearing officer may continue a hearing to another time or place on his or her own motion or, upon showing of good cause, at the request of any party. Written notice of the time and place of the continued hearing, except as otherwise provided here, shall be in accordance with this part. When a continuance is ordered during a hearing, oral notice of the time and place of the continued hearing may be given to each party to the hearing who is present at the hearing.

(11) **Continuance for additional evidence.** If the hearing officer determines, after a hearing has begun, that additional evidence is necessary for the proper determination of the case, the following procedures may be invoked:

   (a) **Continue hearing.** The hearing may be continued to a later date in accordance with paragraph 4.k. (10) of this section.

   (b) **Closed hearing.** The hearing may be closed, but the record held open in order to permit the introduction of additional evidence. Any evidence submitted after the close of the hearing shall be made available to all parties to the hearing, and all parties to the hearing shall have the opportunity for comment. The hearing officer may reopen the hearing if any portion of the additional evidence makes further hearing desirable. Notice thereof shall be given in accordance with paragraph 4.h. of this section.

(12) **Transcript of hearing.** A verbatim taped record of the hearing shall be made and shall become a permanent part of the record. Upon request, the appealing party shall be furnished a duplicate copy of the tape. A typed transcript of the testimony will be made only when determined to be necessary by OCHAMPUS. If a typed transcript is made, the appealing party shall be furnished a copy without charge. Corrections shall be allowed in the typed transcript by the hearing officer solely for the purpose of conforming the transcript to the actual testimony.

(13) **Waiver of right to appear and present evidence.** If all parties waive their right to appear before the hearing officer for presenting evidence and contentions personally or by representation, it will not be necessary for the hearing officer to give notice of, or to conduct a formal hearing. A waiver of the right to appear must be in writing and filed with the hearing officer or the Chief, Appeals and Hearings, OCHAMPUS. such
waiver may be withdrawn by the party by written notice received by the hearing officer or Chief, Appeals and Hearings, no later than 7 days before the scheduled hearing or the mailing of notice of the final decision, whichever occurs first. For purposes of this section, failure of a party to appear personally or by representation after filing written notice of waiver, will not be cause for finding of abandonment and the hearing officer shall make the recommended decision on the basis of all evidence of record.

(14) Recommended decision. At the conclusion of the hearing and after the record has been closed, the matter shall be taken under consideration by the hearing officer. Within the time frames previously set forth in this section, the hearing officer shall submit to the Director, OCHAMPUS, or a designee, a written recommended decision containing a statement of findings and a statement of reasons based on the evidence adduced at the hearing and otherwise included in the hearing record.

(a) Statement of findings. A statement of findings is a clear and concise statement of fact evidenced in the record or conclusions that readily can be deduced from the evidence of record. Each finding must be supported by substantial evidence that is defined as such evidence as a reasonable mind can accept as adequate to support a conclusion.

(b) Statement of reasons. A reason is a clear and concise statement of law, regulation, policies, or guidelines relating to the statement of findings that provides the basis for the recommended decision.

5. Final decision

a. Director, OCHAMPUS. The recommended decision shall be reviewed by the Director, OCHAMPUS, or a designee, who shall adopt or reject the recommended decision or refer the recommended decision for review by the Assistant Secretary of Defense (Health Affairs). The Director, OCHAMPUS, or designee, normally will take action with regard to the recommended decision within 90 days of receipt of the recommended decision or receipt of the revised recommended decision following a remand order to the Hearing Officer.

(1) Final action. If the Director, OCHAMPUS, or a designee, concurs in the recommended decision, no further agency action is required and the recommended decision, as adopted by the Director, OCHAMPUS, is the final agency decision in the appeal. In the case of rejection, the Director, OCHAMPUS, or a designee, shall state the reason for disagreement with the recommended decision and the underlying facts supporting such disagreement. In these circumstances, the Director, OCHAMPUS, or a designee, may have a final decision prepared based on the record, or may remand the matter to the Hearing Officer for appropriate action. In the latter instance, the Hearing Officer shall take appropriate action and submit a new recommended decision within 60 days of receipt of the remand order. The decision by the Director, OCHAMPUS, or a designee, concerning a case arising under the procedures of this section, shall be the final agency decision and the final decision shall be sent by certified mail to the appealing party or parties. A final agency decision under this paragraph 5a. will not be relied on, used, or cited as precedent by the Department of Defense or the dental plan contractor in the administration of the Active Duty Dependents Dental Plan.
(2) Referral for review by ASD(HA).
