APPENDIX D

Alphabetical Listing of Material Safety Data Sheet Elements

1. Appearance and Odor
2. Boiling Point
3. Chemical Family
4. Chemical Name (Hazardous Components)
5. Chemical Name and Synonyms
6. Conditions to Avoid - Hazardous Polymerization
7* Conditions to Avoid - Stability
8. Effects of Overexposure
9. Emergency and First Aid Procedures
10. Emergency Telephone Number
11. Evaporation Rate
12. Extinguishing Media
13. Eye Protection
14* Flash Point
15. Formula
16. Hazardous Decomposition Products
17. Hazardous Polymerization Occur
18. Incompatibility
19. Lower Explosive Limit
20. Manufacturer’s Name
21. National Institute for Occupational Safety and Health (NIOSH) Number
22. Other Precautions
23. Other Protective Equipment
24. Percent of Each Component
25. Percent Volatiles by Volume
26. Precautions to be taken in Handling and Storage
27. Protective Gloves
28. Respiratory Protection
29. Volubility in Water
30. Special Fire Fighting Procedures
310 Specific Gravity
32. Stability
33. Steps to be taken in case Material is Released or Spilled
34.9 Threshold Limit Value (each component )
35. Threshold Limit Value (mixture )
36. Trade Name and Synonyms
37* Unusual Fire and Explosion Hazards
38. Upper Explosive Limit
39* Vapor Density
40. Vapor Pressure
41. Vent ilat ion
42. Waste Disposal Method
