SUBJECT: Desertion and Unauthorized Absence

(b) Title 10, United States Code, 801-940, "Uniform Code of Military Justice (UCMJ)"
(c) Manual for Courts-Martial, United States, 1984
(d) Plan for a Deserter Apprehension Program, prepared by Department of the Army, July 3, 1978, as amended and approved by Deputy Secretary of Defense memorandum dated August 9, 1978, subject: "Deserter Apprehension Program"
(e) through (h), see enclosure 5

1. REISSUANCE AND PURPOSE

This Directive reissues reference (a) to provide uniform policies and procedures designed to minimize the occurrence of desertion and unauthorized absence of military personnel, foster the development of effective deterrent programs, enhance apprehension efforts, and provide accurate and timely reporting of cases of desertion and unauthorized absence.
2. APPLICABILITY AND SCOPE

2.1. The provisions of this Directive apply to the Office of the Secretary of Defense, the Military Departments, the Defense Investigative Service (DIS), and by agreement with the Secretary of Transportation, to the Coast Guard. As used herein, the term "Armed Forces" or "Military Services" refers to the Army, the Navy, the Air Force, the Marine Corps, and the Coast Guard.

2.2. Its provisions cover all military personnel serving on or ordered to report to active duty in the Armed Forces of the United States and members of the Reserve components serving on active duty or active duty for training (Article 2, Uniform Code of Military Justice (UCMJ) (reference (b))).

3. DEFINITIONS

For the purpose of this Directive, the following definitions apply:

3.1. Absentee. Any member of the Armed Forces not classified administratively as a deserter (see section 4., below) who is absent without authority from his or her unit, organization, or other place of duty at which he or she is required to be.

3.2. Deserter. A member of the Armed Forces who has been administratively classified as a deserter (see section 4., below).

3.3. Deserter Under Aggravated Circumstances. Those cases of desertion where the individual is an officer, is wanted for selected offenses punishable under the UCMJ or has had access to classified defense information which, if disclosed, could jeopardize the security interests of the United States (enclosure 1).

3.4. Return to Military Control. The date and hour:

3.4.1. An absentee or deserter surrenders to, is delivered to, or is apprehended by or for military authorities; or

3.4.2. A civilian authority holding the absentee or deserter for some reason other than at the request of the military informs the military of his or her availability; or

3.4.3. An absentee or deserter otherwise comes under the control of military personnel.
3.5. **United States.** The 50 States and all territories and possessions of the United States, or all waters and airspace subject to the territorial jurisprudence of the United States.

4. **POLICY**

4.1. **Criteria for Administrative Classification of Deserters.** For administrative purposes, an absentee is classified as a deserter, and a DD Form 553, "Absentee Wanted by the Armed Forces" (enclosure 2), shall be prepared when:

4.1.1. The facts and circumstances of absence, without regard to the length of absence, indicate that the member may have committed the offense of desertion, as defined in Article 85 of the UCMJ (reference (b)) and *Part IV, paragraph 9* of the *Manual for Courts-Martial* (reference (c)) ; or

4.1.2. The member has been absent without leave for 30 consecutive days; or

4.1.3. The member is absent without authority, without regard to length of absence, and has gone to or remains in a foreign country and, while in the foreign country, has requested, applied for, or accepted, any type of asylum or residence permit from that country, or any governmental agency thereof.

4.2. **Apprehension of Absentees and Deserters** (see Plan for a Deserter Apprehension Program (reference (d))).

4.2.1. **General**

4.2.1.1. Every practicable effort shall be made to apprehend absentees and deserters as expeditiously as possible. To achieve this end, vigorous efforts shall be made at the unit and other appropriate levels to investigate the facts and circumstances surrounding absences, to initiate apprehension actions, and to expedite appropriate notification procedures.

4.2.1.2. Leads developed as to the location of absentees and deserters shall be conveyed expeditiously to appropriate civil law enforcement authorities who shall be requested to assist in the return of such persons to military control. The Military Services, with the assistance of the Defense Investigative Service, shall establish liaison and maintain a level of coordination with civilian law enforcement agencies necessary to encourage active participation by such agencies in absentee and deserter apprehension efforts.
4.2.1.3. The Military Services shall release information concerning the deserter apprehension program in an effort to deter absenteeism and desertion.

4.2.1.4. Annually, the Military Services shall meet to evaluate the results of the deserter apprehension program and recommend changes. These meetings shall be hosted in the order of Service seniority and shall include representatives from the General Counsel of the Department of Defense, the Assistant Secretary of Defense (Force Management and Personnel) (ASD(FM&P)), DIS, and the Military Services. In addition, the Federal Bureau of Investigation (FBI) shall be invited to attend. Minutes shall be recorded by the host Service and provided to participating Agencies.

4.2.2. Authority to Apprehend

4.2.2.1. Absentees and deserters may be apprehended by members of the Armed Forces under the circumstances prescribed by Article 7b of the UCMJ (reference (b)) and RCM 302(b)(1)-(2) of the Manual for Courts-Martial (reference (c)).

4.2.2.2. Any civil officer having authority to apprehend offenders under the laws of the United States may summarily apprehend a deserter from the Armed Forces and deliver him/her into the custody of those forces (Article 8 of the UCMJ (reference (b)) and RCM 302(b)(3) of the Manual for Courts-Martial (reference (c))). Civilian law enforcement authorities may apprehend absentees when requested to do so by military or Federal authorities.

4.2.2.3. U.S. authorities may apprehend absentees and deserters in foreign countries only when authorized by an international agreement with the country concerned or by agreement with appropriate local authorities when such agreement is not violative of an existing international agreement (see subparagraph 4.2.5.2., below). In these cases:

4.2.2.3.1. Careful consideration must be given to possible international implications and adverse foreign reaction.

4.2.2.3.2. When apprehension cannot be accomplished, a report of the facts shall be forwarded, through appropriate Military Service channels, to the ASD(FM&P) for resolution.

4.2.3. Return to Military Control

4.2.3.1. Absentees and deserters shall be received at any military installation that is manned by active duty personnel. Immediate action shall be taken to
transfer an individual to the nearest installation of his or her branch of Military Service having facilities to process absentees and deserters.

4.2.3.2. Absentees and deserters being detained temporarily in the hands of civil authorities shall be taken into custody by military authority as soon as possible after responsible military officials are informed of their place of detention and the civilian authorities are ready to release them. As a goal, military authorities shall strive to accomplish such return to military control within 48 hours after receiving notification of the absentee's or deserter's place of detention. To accomplish this goal, informal inter-Service agreements are encouraged between local or area commanders facilitating the pickup and transportation of absentees and deserters of all Services.

4.2.3.3. In the absence of other specific arrangements among Military Service commands, when one of the Military Services makes a pickup of absentees and deserters from civil authorities anywhere in the continental United States, all such individuals, regardless of their Military Service, shall be picked up at the same time and delivered to the nearest military installation having facilities to process absentees or deserters. When such a multi-Service pickup cannot be accomplished, the military authority effecting a limited pickup shall notify the Military Service(s) of the individuals remaining in civilian custody, preferably before leaving the civilian confinement facility.

4.2.3.4. In foreign countries, military attaches, the Chief of the Military Assistance Advisory Group (MAAG) or similar organization shall not accept the offer of a deserter or absentee to return to military control unless the United States is directly responsible for the presence of the individual in the country where assistance is requested.

4.2.3.4.1. Normally, deserters and absentees shall be advised and assisted to report, at their own expense, to an appropriate U.S. military installation within the United States or overseas.

4.2.3.4.2. Unless they are citizens of the country in which assistance is requested, absentees and deserters shall be reported to the appropriate authorities of such foreign country with a view toward deportation.

4.2.3.4.3. If the individual leaves the foreign country or is deported, the military attache or Chief of the MAAG shall make arrangements, if possible, when such departure is known to have the individual taken into custody upon his or her arrival within a territory where U.S. military officers have authority to apprehend.
4.2.3.4.4. The Chief of the U.S. diplomatic mission shall be kept fully informed.

4.2.3.4.5. All original recipients of a DD Form 553 (enclosure 2) shall be promptly informed of the individual's return to military control by the publication of a DD Form 616, "Report of Return of Absentee" (enclosure 3).

4.2.3.4.6. The Military Services shall develop programs for retaining the maximum number of those absentees and deserters returned to military control who have potential for continued effective service.

4.2.4. **Rewards and Reimbursements**

4.2.4.1. Receipt of any authorized communication, oral or written, from a military or Federal law enforcement official or Agency, requesting active cooperation in the apprehension or delivery to military control of an absentee or deserter wanted by the Armed Forces, shall constitute the basis for a reward. After such communication, persons or Agencies apprehending, detaining, or delivering absentees, deserters, or escaped military prisoners to military control shall be promptly rewarded or reimbursed (but not both) as follows:

4.2.4.1.1. Payment of a reward in an amount not to exceed that specified in the applicable Defense Appropriation Act for the apprehension and detention of absentees, deserters, or escaped prisoners until the military authorities have taken custody of such persons.

4.2.4.1.2. Payment of a reward in an amount not to exceed that specified in the applicable Defense Appropriation to military authorities of absentees, deserters, or escaped military prisoners.

4.2.4.1.3. When persons or Agencies who apprehend or return absentees and deserters to military custody may not be paid a reward, reimbursement for reasonable and actual expenses may be made not to exceed specifically authorized amounts for any one case.
4.2.4.2. Payments authorized by subparagraph 4.2.4.1., above, and costs of travel of guards assigned to absentees or deserters shall be charged to the military personnel appropriation of the parent Military Service, as prescribed in DoD 7110-1-M (reference (e)). Costs associated with an absentee's or deserter's transportation for return to designated military duty status shall be charged to the pay account of the individual member as prescribed in the Joint Travel Regulations, Volume I (reference (f)).

4.2.5. Cooperation of Armed Forces and Civil Law Enforcement Agencies

4.2.5.1. Absentees or Deserters within the United States. Notices concerning members wanted for unauthorized absence or desertion who are believed to be within the United States shall be circulated expeditiously among those Armed Forces and civil law enforcement agencies considered useful in apprehending the particular absentee.

4.2.5.1.1. Notices shall be sent to the FBI and Department of State only after appropriate review and signature by the Deserter Information Point (DIP) of the Military Service concerned. The standard format utilized in notifying the FBI of a need for apprehension support shall be DD Form 553 (enclosure 2).

4.2.5.1.2. In certain cases, such as escaped military prisoners who are declared to be deserters and who have been convicted of one or more of the articles of the UCMJ outlined in enclosure 1, local commanders may notify the local FBI field office directly and request urgent apprehension support. The facts surrounding the desertion and the background of the individual shall be clearly specified. In such cases, a confirming DD Form 553 shall be immediately furnished to the field office and to the Service's DIP. The FBI field offices, when these situations exist, have been authorized to initiate a deserter investigation on the Service's behalf without approval from FBI headquarters. When direct FBI field office support has been requested, the commander shall advise the Service's DIP informally notifying FBI headquarters of the support requested.

4.2.5.1.3. In all other circumstances, local commanders should alert the local FBI field office that a request for FBI apprehension support shall be made to FBI headquarters through the Service's DIP. The FBI field offices have not been authorized to initiate investigations in these situations without specific FBI headquarters approval. Such approval must be requested by the Service's DIP or appropriate investigating activity through an appropriately executed DD Form 553. Alerting the local FBI office to the facts of desertion and the background of the individual involved,
together with the fact that a request for assistance can be expected, should assist in
bringing about an early apprehension once an investigation is authorized and instituted.

4.2.5.2. Absentees and Deserters outside the United States. Commands
shall take such initial actions as the local situation warrants, within the primacy of
applicable international agreements, to secure cooperation in apprehension of absentees
or deserters (subparagraph 4.2.3.4., above).

4.3. Deserter Information System

4.3.1. A DIP shall be established as a central focal point in each Military
Service to provide for the control, accounting, and dissemination of information
concerning members administratively classified as deserters and those absent without
leave for less than 31 days.

4.3.2. To provide the means for making timely and complete deserter
information available to civil law enforcement agencies, each DIP has access to a
terminal for direct entry to the FBI National Crime Information Center (NCIC)
computer. Each Military Service shall ensure that deserter information is entered into
the NCIC no later than 7 days after an individual has been administratively declared a
deserter. Minimizing this time interval and increasing the reliability and use of the
NCIC shall be a primary consideration for each Military Service.

4.3.3. The primary source of information to the DIP shall be the DD Forms
553 and 616 (enclosures 2 and 3), supported by the appropriate personnel forms
documenting desertion or return to military control, and verified by the DIP through the
automated personnel accounting system of the Military Service. The DIP shall make
appropriate NCIC entries in the Wanted Persons File as soon as possible after
verification. The DIP shall clear from the NCIC all members returned to military
control, or whose status is determined to be other than desertion. Members who desert
under aggravated circumstances, such as being involved in a crime of violence
(enclosure 1), shall be reported immediately upon verification of deserter status by the
DIP through the use of the DD Form 553 to the FBI for appropriate apprehension
assistance or investigation.

4.3.4. Each Military Service shall ensure that its Deserter Information System
provides management information that shall readily identify the number of absentees
and deserters returned to military control and the mode of return (surrendered
to/apprehended by military authorities, civilian authorities, FBI/or other authorities).
5. RESPONSIBILITIES

5.1. The Assistant Secretary of Defense (Force Management and Personnel) shall:

5.1.1. Provide overall policy guidance for Services' programs that deter and minimize absenteeism and desertion.

5.1.2. Develop supplemental procedures that provide current and adequate information; act as a focal point in the Department of Defense for absentee and deserter information; and respond to queries concerning absentees and deserters.

5.1.3. Act as liaison between the Department of Defense and the FBI, and other Government and civil law enforcement agencies on absentee and deserter policy matters.

5.1.4. Initiate and encourage research or studies on the causes of desertion and unauthorized absence.

5.1.5. Ensure that the joint policies and programs of the Military Services for apprehension of absentees and deserters are reviewed annually for effectiveness (subparagraph 4.2.1.4., above).

5.2. The Heads of the Military Services shall:

5.2.1. Make every effort to deter desertion and unauthorized absence by improving current program management practices and developing new programs.

5.2.2. Designate a senior policy official to serve as the focal point for absentee and deserter policy and for administration of the absentee program.

5.2.3. Establish DIPs in accordance with subparagraph 4.3.1., above.

5.2.4. Cause representatives to meet at least annually to evaluate joint Service apprehension efforts and to propose necessary changes.

6. INFORMATION REQUIREMENTS

6.1. By May 31 and November 30 of each year, the Military Services shall forward the information prescribed by the reporting formats (enclosure 4) to the address listed therein for the two preceding fiscal quarters (October 1 through March 31 and April 1 through September 30). This reporting requirement applies only to enlisted members.
on extended active duty. Report Control Symbol DD-\textit{FM&P}(SA)1454 is assigned to this report.

6.2. When alien deserters are discharged in absentia, military personnel offices shall forward one copy of DD Form 214, "certificate of Release or Discharge from Active Duty," to the U.S. Department of State, Visa Office-CA/VO, State Annex No. 2, Washington, DC 20520, to deter the unwarranted issuance of visas (see DoD Instruction 1336.1 (reference (g))).

6.3. For aliens who are absentee or deserters known or suspected to be residing in foreign countries, DIPs shall forward one copy of DD Form 553 (enclosure 2) to the Visa Office, at the address in paragraph 6.2., above. For U.S. citizens, DIPs shall forward one copy of \textit{DD Form 553} to the U.S. Department of State, Passport Office-PPT/C, 1425 K Street, Washington, DC 20525.

7. \textbf{EFFECTIVE DATE AND IMPLEMENTATION}

This Directive is effective immediately. Forward two copies of implementing documents to the Assistant Secretary of Defense (\textit{Force Management and Personnel}) within 120 days.

MEMORANDUM OF UNDERSTANDING ON MILITARY DESERTERS BETWEEN THE FEDERAL BUREAU OF INVESTIGATION (FBI) AND THE DEPARTMENT OF DEFENSE (DoD)

MEMORANDUM OF UNDERSTANDING ON MILITARY DESERTERS BETWEEN THE FEDERAL BUREAU OF INVESTIGATION (FBI) AND THE DEPARTMENT OF DEFENSE (DoD)

Desertion is a most serious offense under the Uniform Code of Military Justice. Vigorous efforts to apprehend deserters are essential in order to return deserters to military control and to deter others from deserting.

It is, therefore, agreed that:

(1) Each Military Department will continue to enter information on each deserter into the National Crime Information Center computer. This information will be kept current by the Military Departments and remain available to law enforcement officials at the national, state, and local levels as long as the individual is absent.

(2) Responses to inquiries from any law enforcement agency resulting from any other investigation of offense will disclose that the subject of the inquiry is wanted by a Military Department.

(3) The FBI Identification Division will continue to assist Military Departments in identifying persons through fingerprint comparison and will provide to the Military Departments wanted flash notice services for ordinary deserter cases and for offenses shown on the Attachment. These services will be initiated automatically upon the military’s entry of a deserter’s record in the Wanted Persons File of the National Crime Information Center.

(4) The FBI will conduct investigations for the purpose of apprehending deserters in those cases where aggravating circumstances exist in addition to the desertion offense. Aggravating circumstances include those matters listed on the Attachment. In such cases, the Military Department Headquarters will provide the FBI Headquarters with written notice which will specify the serious offense, in addition to desertion, of which the absentee is suspected. Such notice indicates that appropriate judicial or administrative disposition is contemplated upon return to military control. Upon receipt of such notice, the FBI will initiate an active investigation. The FBI will be informed promptly of any change in the status of a military member who is subject of an FBI investigation.

(5) It is possible other offenses may be committed which are not within the scope of the Attachment, yet because of their circumstances, are so aggravated that investigation and return to military control is warranted. Requests for FBI assistance in these few instances will be closely monitored by the Military Department Headquarters and that Headquarters will provide the FBI Headquarters with factual detail explaining the seriousness of the offense, in order to support an FBI investigation.
(6) The DoD will undertake its own program to deter desertion and to apprehend deserters. The Military Departments will engage in desertion prevention programs and will cooperate with all law enforcement officials in the return of deserters to military control.

(7) The FBI will conduct investigations to apprehend military personnel convicted of one of the attached articles who subsequently escape military confinement.

SUBMISSION OF REPORTING FORMATS

SUBMISSION OF REPORTING FORMATS

A. Formats for automated input of the tables required by this Directive are given in attachments 1 and 2 to this enclosure. Reports may be submitted on punch-cards or magnetic tape at the option of the submitting agency. If magnetic tapes are submitted, they must be compatible with IBM 360/370 hardware and, if possible, conform to the following technical specifications:

1. IBM standard header and trailer labels on unlabeled tape
2. Density: 1600 EPI preferred
3. Track: 9 track preferred
4. Record Length: 80
5. Block Size: 800 (80 x 10)

B. Send by certified mail to:
Defense Manpower Data Center
550 Camino El Estero
Suite 500
Monterey, California 93940

C. All submissions must be accompanied by a letter of transmittal indicating this DoD Directive number, the Report Control Symbol, the reporting period, the number of cards/records, and the tape specifications, if appropriate.

D. For the purposes of this report, count an individual who fails to return to military control within 30 days only as a deserter and not as an unauthorized absentee as well. This eliminates double counting. Use the effective date of action in reporting these data. Use the processing date, as necessary, to record all late information received during the report period to account properly for all transactions and to preclude changing previous reports.

E. For information purposes, the absentee and desertion rate will be computed on a rate per 1,000 basis in relation to the average of the enlisted monthly end strengths.
