3. POLICY

It is DoD policy that the PDTATAC shall operate as follows:

3.1. Organization

3.1.1. The PDTATAC shall be composed of a Chair and a member from the Departments of the Army, the Navy, the Air Force, Transportation, Health and Human Services, and Commerce. The ASD(FM&P), or designee, shall be the permanent Chair. The Secretary of each Military Department shall appoint a representative at the Deputy Assistant Secretary level, or above, to be a PDTATAC member. The Secretary concerned of each non-DoD Uniformed Service may appoint a representative at a similar level, or above, to be a PDTATAC member. The PDTATAC members shall designate an alternate to represent their Departments during their absences. The action of the alternate shall be binding on the PDTATAC members and his or her Department. The PDTATAC will conduct operations in accordance with the PDTATAC Charter and the PDTATAC Organization and Functions Manual (references (k) and (l)).

3.1.2. Each PDTATAC member shall communicate to the PDTATAC Chair the views of the Uniformed Service represented and indicate concurrence or nonconcurrence for that Service. When the Secretary concerned of a non-DoD Uniformed Service determines the implementation of an approved JFTR (reference (d)) change to be impracticable, a separate change solely applicable to that Service shall be published in reference (d) at the request of the Secretary concerned. For DoD civilian employee matters, only the Army, the Navy, and the Air Force members of PDTATAC shall provide input on issues.
3.2. **Panels Advisory to the PDTATAC**

3.2.1. A military advisory panel (MAP) and a civilian advisory panel (CAP) are hereby established. The MAP shall consist of a representative from each of the Uniformed Services. The CAP shall consist of a civilian representative from each of the Military Services and the OSD Washington Headquarters Services. These panels shall conduct operations in accordance with the PDTATAC Charter and the PDTATAC Organization and Functions Manual (references (k) and (l)).

3.2.2. The MAP and CAP shall generate and evaluate issues on per diem, travel, transportation, and station allowances. Only the MAP shall generate and evaluate issues on the variable housing allowance (VHA). Additionally, the MAP and CAP shall periodically assess the adequacy of current travel policy and regulations in providing fair and equitable treatment for uniformed and civilian personnel. They shall also develop proposed solutions for PDTATAC consideration.

3.3. **Operations and Functions**

3.3.1. The PDTATAC ensures that travel and transportation regulations are, as far as practicable, uniform for all the Uniformed Services in accordance with the travel and transportation allowances sections of Chapter 7 of 37 U.S.C. (most notably Section 411) (reference (f)), 37 U.S.C. 1001 (reference (c)), and 37 U.S.C. 403a, 5 U.S.C. 5702, 41 CFR 301-304 (Federal Travel Regulation), E.O. 12561, and the PDTATAC Charter (references (f) through (k)) for DoD civilian employees and members of the Uniformed Services.

3.3.2. The PDTATAC's responsibility in promulgating uniform regulations involves per diem, travel, and transportation allowances; station allowances (overseas housing allowance, interim housing allowance, temporary lodging allowance, and cost-of-living allowance); variable housing allowance; temporary lodging expense allowance; and DoD civilian employee entitlements.

3.3.3. The PDTATAC also ensures uniform application of per diem, travel, and transportation allowances to include the review and approval of regulations implementing JFTR and JTR (references (d) and (e)) entitlement provisions.

3.3.4. The PDTATAC shall consider and process questions submitted by the DoD Components, the Coast Guard, the PHS, and the NOAA on interpretation of references (d) and (e).
3.4. **Coordination**

3.4.1. The ASD(FM&P) has approval authority under reference (c) for regulations on per diem, travel, and transportation allowances prescribed by the Secretaries of the Military Departments, and acts as the Executive Agent for the non-DoD Uniformed Services, by approving promulgation of those regulations. The PDTATAC shall operate subject to the supervision of the ASD(FM&P). The ASD(FM&P) shall be responsible for coordination with the C, DoD and other concerned staff officials in the OSD.

3.4.2. Policy changes that increase or decrease allowances for substantial numbers of personnel, involve substantial expenditures of funds, revise methods of administering such entitlements, expand existing entitlements to new categories of recipients, create an entitlement from an existing discretionary authority or other matters specified by the ASD(FM&P) shall be referred to the ASD(FM&P) for approval and coordination with the C, DoD. The ASD(FM&P), or delegate, is the approving authority. The C, DoD shall review cost and/or benefit analyses prepared by the PDTATAC staff and as requested by the ASD(FM&P) on the impact of those changes. The C, DoD, may recommend alternative courses of action to the ASD(FM&P) based on financial considerations.

3.4.3. Non-policy matters, such as administrative or procedural issues, will be resolved under the PDTATAC Charter and the PDTATAC Organization and Functions Manual (references (k) and (l)).

3.5. **Counsel**
