(d) Section 720 of title 31, United States Code, "Agency Reports"  
(e) through (i), see enclosure 1

1. REISSUANCE AND PURPOSE

This Directive reissues reference (a) to update policies and responsibilities for:

1.1. Working with the General Accounting Office (GAO) when the GAO conducts surveys, reviews, and other audit activities within the Department of Defense (DoD).

1.2. Providing DoD responses to GAO draft and final reports and other GAO documents of interest to the Department of Defense.
2. **APPLICABILITY AND SCOPE**

This Directive applies to:

2.1. The Office of the Secretary of Defense, the Military Departments, the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the Department of Defense (hereafter referred to collectively as "the DoD Components").

2.2. GAO audit surveys, reviews, reports and GAO requests for security or mandatory declassification reviews, as well as other GAO documents, such as testimony the GAO issues instead of audit reports.

3. **POLICY**

It is DoD policy to cooperate fully with the GAO, and to respond constructively to, and take appropriate corrective actions on the basis of, GAO reports. All DoD Components shall:

3.1. Make every effort to be responsive to requests for information from the GAO and respond to such requests as promptly as possible in accordance with references (b) and (c).

3.2. Be alert to identify errors of fact or erroneous interpretation in GAO reports, and to state the DoD position on issues raised in such reports, when appropriate.

3.3. Ensure compliance with disclosure restriction notices on GAO draft reports and not show or release the contents of draft reports except for official review and comment within the Department of Defense.

3.4. Ensure that responsive and timely replies to GAO reports are submitted in accordance with references (d) and (e). Reference (f) prescribes that fully responsive corrective actions should be taken on agreed upon deficiencies identified in GAO reports. For all GAO reports referred to the Department of Defense, a response shall be prepared when any of the following apply:

3.4.1. The report contains recommendations to the Secretary of Defense, the Secretary of a Military Department or the Director of a Defense Agency.
3.4.2. The GAO requests DoD comments or information on issues discussed in the report.

3.4.3. The primary action office (PAO) determines a response is appropriate and in the best interest of the Department of Defense.

4. **RESPONSIBILITIES**

4.1. The **Secretary or Deputy Secretary of Defense** shall resolve disagreements between the DoD Components on GAO findings, conclusions, and recommendations that the Inspector General, Department of Defense (IG, DoD), cannot resolve at lower levels. (See subparagraph 4.2.4., below.)

4.2. The **Inspector General, Department of Defense** shall:

4.2.1. Serve as the DoD central liaison with the Comptroller General on all matters concerning GAO surveys, reviews, reports, and activities. This includes tasking, monitoring, and facilitating the preparation of responses to GAO reports and GAO requests for security reviews, and reviewing, coordinating, and authorizing the release of DoD responses to GAO reports. This also includes monitoring and facilitating ongoing GAO surveys and reviews within the Department of Defense.

4.2.2. Designate appropriate DoD Components as the PAO and collateral action offices (CAOs) to work with the GAO during the conduct of reviews within the Department of Defense, and to prepare responses to GAO reports when required under paragraph 3.3. A DoD Component within the Office of the Secretary of Defense normally will be designated as the PAO to ensure appropriate representation of the views and interests of the Secretary of Defense.

4.2.3. Develop and provide guidance, as needed, to facilitate the handling of GAO surveys and reviews, and to review and respond to GAO reports and requests for security reviews on GAO reports. The GAO provides a limited time period for responses to draft reports. Additionally, to satisfy the requirements of reference (d), copies of DoD responses to certain final reports must be provided to the Congress within 60 days. Accordingly, OIG, DoD, guidance to PAOs and CAOs will include establishment of processing steps and suspense dates to help ensure accomplishment of necessary actions by the DoD Components.
4.2.4. Facilitate resolution of disagreements between the DoD Components concerning the appropriateness of proposed responses to GAO reports. If resolution at this level is not possible, refer the dispute, along with pertinent documentation, to the Secretary or Deputy Secretary of Defense for final resolution.

4.2.5. Arrange and facilitate meetings, as necessary, with representatives of the DoD Components and/or the GAO on GAO surveys, reviews, reports, or other GAO activities within the Department of Defense.

4.2.6. Provide the Secretary of Defense and the Deputy Secretary of Defense with early notice of pertinent GAO surveys, reviews, reports, or activities, and provide information on GAO activities and reports to interested DoD Components. Monitor and distribute information regarding GAO activities with a view toward avoiding unnecessary overlap or duplication.

4.2.7. Provide copies of DoD responses to applicable GAO final reports to the Congress, in accordance with the requirements of Section 720 of title 31, U.S. Code (reference (d)).

4.3. The Heads of DoD Components shall:

4.3.1. Facilitate the conduct of GAO surveys and reviews; ensure that responses to the GAO are prepared in the manner prescribed by this Directive and fully satisfy Section 720, title 31, U.S. Code, and Subchapter 2 of Chapter 7, title 31, U.S. Code (references (d) and (e)).

4.3.2. Establish a liaison office or individual as the focal point to monitor and coordinate GAO matters with the OIG, DoD, the GAO, and the DoD Components; distribute information concerning GAO matters; and maintain appropriate records.

4.3.3. Ensure that GAO representatives have appropriate security clearances before disclosing classified information to them.

4.3.4. Ensure that GAO contacts and requests for documents are in connection with, and within the scope of, the survey or review work formally announced by the GAO.

4.3.5. Give priority to identifying points of contact for GAO surveys and reviews, resolving issues with GAO, and meeting the dates established for responding to GAO reports.
4.3.6. When designated as PAO, assign an official of appropriate rank to sign written responses to GAO reports on behalf of the Secretary of Defense. Coordination on proposed replies to GAO reports shall be at an appropriate rank to represent the views of the Component head.

4.3.7. Ensure that responses to GAO requests for DoD security review or mandatory declassification review of GAO documents containing DoD information are processed through the Directorate for Freedom of Information and Security Review, Washington Headquarters Services, and in accordance with references (g), (h), and (i).

4.3.8. Ensure that the OIG, DoD, is kept informed of ongoing GAO activities within that DoD Component, as appropriate, to enable effective coordination throughout the Department of Defense.

5. EFFECTIVE DATE AND IMPLEMENTATION

This Directive is effective immediately.
