*Shelter numbers fluctuate based on the location of the storm and the time of day. As a storm leaves an area, shelters close except for a few that remain open to house those people who cannot return home.

Impact of the Second Landfall of Katrina

As of 5:00 pm on Monday, August 29th, Hurricane Katrina was listed as a category one hurricane with maximum sustained winds at 95 mph and higher gusts. Weakening is forecast during the next 24 hours as the center continues moving over land. However, hurricane force winds are expected to spread as far as 150 miles inland along the path of Katrina. Hurricane force winds extend outward up to 125 miles from the center, and tropical storm force winds extend outward up to 230 miles.

New Orleans was spared direct hit. However, an estimated 770,000 utility customers in Louisiana are reported without power; Entergy Corp. alone reporting 700,000 and Cleco Corp reporting 70,000 outages. Reports of flooding vary based on region with some levees in New Orleans reportedly breached. Extensive flooding in the Lower 9th Board and St. Bernard Parish may be a result of water going over the tops of the levees. boil water alerts have been issued.

A curfew is effective in New Orleans from Monday afternoon until dawn Tuesday, and dusk until dawn each day thereafter.

In Mississippi, local media reported 10,000 power outages, but no updates have been reported. Local media also reported a storm surge of more than 20 feet, with waves as high as 33 feet.

Hurricane Katrina is expected move north along the Mississippi River, resulting in showers and thunderstorms for the four state area, especially in northeaster Louisiana and southerncentral Arkansas. Those storms are not expected to become severe, although localized flooding will be possible across portions of Louisiana and Arkansas.

Alabama-Gulf Coast reports that blood drives have been cancelled for today resulting in a loss of 200 units in collections. AL-GC estimates that there will be a loss of 500 units collected over the next several days due to cancelled drives. The Mobile facility remains open with Mobile minimal staff present. All hospitals supported by Mobile received extra blood units prior to the storm. Mobile facility received superficial damage and is operating on auxiliary power.

Federal

- An ESF#6 multi-partner coordination center has been established at Red Cross national headquarters in Washington, DC, and will be operational effective Tuesday, August 30th. The center will ensure better interagency coordination between the Red Cross, Federal agencies, other NGOs active in disaster, and public/private sector partners as we support community response actions.
- FEMA Region IV and Region VI Regional Response Coordination Centers (RRCC) are staffed 24/7 by Red Cross. Red Crossers support the Emergency Response Team – Advanced (ERT-A) teams in Florida, Alabama, Mississippi and Louisiana. Rapid Needs Assessment Teams (RNAT) ESF#6 are staffed in Florida and Mississippi.
- FEMA’s National Response Coordination Center remains staffed 24/7 with ESF#6.
- ESF#6 partners are anticipating requests post-landfall.

External Affairs Liaison (EAL)

- EAL public members are present at the Louisiana, Mississippi and Florida State EOCs.
- Alabama, Louisiana, Florida and Mississippi Emergency Operations Centers (EOCs) are fully activated today with Red Cross Liaisons present.

Non-government

- An ESF#6 Mass Care Coordination group was officially formed today. NGO representatives will convene at the new ESF#6 Mass Care Coordination Center at ARC NHQ. Initial NGO members include:
  - Adventist Community Services
  - America’s Second Harvest (invited)
  - The Salvation Army
  - Southern Baptist Convention/North American Mission Board
  - American Humane Society
  - Church World Service (invited to coordinate faith-based organizations)
  - Labor representation
- VOAD partners are preparing for post-landfall support in LA, MS and AL.
- Beginning calls with emotional and spiritual care national NGO partners.
- ESF #6 NGO committee members are being identified to deploy to DOC.
Individual Client Services

- Medical Reserve Corps (MRC) staff are at NHQ assisting Red Cross in developing protocols for recruitment and deployment of their personnel and will have a representative in the DOC for the duration.
- Initiated contact with Mental Health Partners to mobilize their resources to augment operational staffing.
- Will train staff, via OJT, on the procedures and tools for the new Welfare Information system.
