Subjects Requesting DoD Support for Hurricane Katrina: Phone Numbers

All,

The purpose of this email is to outline to Members of Congress, their staffs, and members of the military liaison community the support in the wake of Hurricane Katrina.

While DoD is not the lead agency in a domestic emergency, it can be actioned to provide support, provided the Federal Emergency Management Agency (FEMA - which holds lead responsibility in a crisis such as Katrina) requests the support in conjunction with state emergency management officials.

The process looks like this: namely DoD support - Requirements come from the state Emergency Manager (EM) to the Federal Coordinating Official (FCO - from FEMA), who in turn requests support from the Defense Coordinating Officer (DCO, an Army Colonel co-located with the FCO). That request then winds its way rapidly from the DCO to JTF Katrina, who routes it through NORTHCOM to the Office of the Secretary of Defense Executive Secretary, to the Joint Directorate of Military Support (JDMS). At each stage, the requirement is validated to ensure that the request can be met with capability and that it is legal to provide. Once vetted, the request is tasked to Services and coordinated with Joint Forces Command (JFCOM), and forces or resources are then allocated to JTF-Katrina - which in turns gets the support down to the user level at the state by way of the DCO.

In effect, the best way to start the process to receive DoD support is by contacting the State
EM and telling them of your requirement. That starts the rapid process that puts the request into DoD channels.

Below are the phone numbers for the respective state Emergency Management Offices. The main number connects to a switchboard in each office. The switchboard will then be able to get you connected with someone specific within the EOC depending upon the type of assistance offered, i.e. camps, food/water, trans, etc. The names of EM leadership have also been provided, as it may be more helpful to talk to them when requesting support from a congressional office.

AL (Main Line)
Bruce Bauman, Director of Emergency Management
Perry Martin, Bureau Chief, Emergency Management
Bill Filter, Ops Chief, Emergency Management

FL (Main Line)
Leo Lachat, Operations Chief,
Mike DiLorenczo, Bureau of Preparedness and Response

[CONTINUOUS BUSY SIGNAL. WE ARE WORKING ON GETTING A BETTER NUMBER AND WILL SEND AN UPDATE WHEN WE HAVE IT.]

MS (Main Line); ALTERNATE:
Robert Latham, Director of Emergency Management
Mike Womack, Deputy Director of Emergency Management

I hope that this helps. Feel free to provide me with feedback - and know that we will still be trying to find the LA contact numbers.

Best,

Roger

All,

Please change the tasking for the Public Information Office (PI on the MOD, ref Para 5.A.(1)G)) from USAFCOM to USNORTHCOM. It appears that there is already a NORTHCOM PA individual identified and ready to occupy the JC in MS.
